

Photo Club News

There will be a meeting of the Photo Club for all interested. The only requirements are an interest in photography and a camera is a help. The club is darkroom oriented and you will be able to learn the basics of good darkroom technique through the club. So stop off at the Middle Earth Coffee House in Meade Heights this Wed. Oct. 9 around 8 P.M. - See Ya!

Great Outlook For Soccer Team

With seven returning veterans and an abundant influx of new soccer talent, Capitol Campus is assured of an outstanding Soccer Team this year. Recruiting efforts have paid big dividends! The squad arrived on campus a week early for a pre-season soccer clinic. Coach Trunk has been busy weaving a strong team together in order to get set for the first Saturday's game at York Campus. Co-Captains Ken Albert and Randy Hess expect that the first game will be a win!

Today (Thursday) the team meets with a strong Franklin & Marshall squad on our athletic field at 8 p.m. New spectator stands have been constructed and the team has hopes that the student body will be out in force to lend support.

On Saturday Capitol travels to Schuylkill for a 2 p.m. game. The next home game occurs on Tuesday at 7:30 p.m. against North East Christian. This is expected to be a close contest as it was in Spring.

The team will be well balanced in defense, mid-field, and offense. Two new goal keepers are being broken in-Rick Burnfield and Jeff Hooten. There are enough players showing up for full-field scrimmages. This depth in reserve will pay off as the season progresses. Any students desiring to work out with the team should contact the Athletic Office. Coach Trunk is also seeking two managers for the team. Some pay is available and females are welcome to apply.

HOT LION

NOTE: The Hot Lion will be published as part of the Reader for the entire 1974-75 academic year. Deadline for entries is Friday, noon, week prior to publication. Entries can be submitted in Student Affairs Office (W105) until further notice.

XGI REPORTER

Welcome to Capitol Campus!
Chi Gamma Iota Fraternity (XGI's) is a service fraternity composed mainly of veterans but also open to the entire student body. In the past we have sponsored many on-campus and off-campus activities. In order to make these activities successful and allow them to continue in the future, we will need the support of YOU as a member of the student body.
This column will be printed each week and we will try to keep you informed about the activities which the XGI's are planning, the results of past activities including sports, and give you an overall view of what the XGI's are really doing at Capitol Campus.
Our first meeting is scheduled for Tuesday, Oct. 8th beginning at 9 P.M. at the Tiltin'-Hilton Hotel (Highspire) and the second meeting will be on Oct. 22 at the same time and place. If you feel that you would like to join our organization, please feel free to stop in at either the meeting or the XGI Lounge in W-114.
We are presently signing up members for the bowling team which begins Oct. 9 at 9 P.M. at the Middletown Lanes and also signing up members for the fraternity flag football team. If you are planning to join our fraternity or have already joined, stop in the XGI Lounge and sign-up now and have some fun.
