Capitol Rallies, Ties York

by Gene T. Eddy

A late rally by Capitol Campus enabled them to salvage a tie with a much improved York Campus in what proved to be perhaps the most exciting soccer game of the season. One might ask himself how York's coach could settle for a tie after producing an 0-6-2 record for the season, but after watching his team's lead dwindle from 3-1 to 3-3, perhaps he knows something we don't. Perhaps he lacks confidence in his team which is a characteristic expected of every coach, (confidence, that is, not lack of) or perhaps he was observant of how the momentum had switched from York to Capitol at the end of the game. I do not mean to degrade the York Campus coach, but it seems to me that if you have at least a 50-50 chance of winning a game after losing six in a row, how can you pass it up? This was the second such opportunity that the York coach had in the last three days, since he made a similar move against Wilkes-Barre for a 2:2 tie.

The scoring in the first half opened with a goal by York's Denny Himes and made the score 1:0. Three minutes later, a hand obstruction call on Capitol's center halfback, Jim Rowe, led to a direct penalty kick by Gus Gargotta and the York lead increased to 2:0. Capitol answered with a goal by Armand Magnelli after a beautiful pass from Tom Plank had shortened York's lead to 2:1 and end the scoring for the first half.

The start of the second half was highlighted by both teams substituting goalies. Jeff Hooten replaced Rick Burnfield for Capitol and Steve Cowman replaced Keith Foose for York Campus. Jim Swope also opened the second half as Capitol's left fullback. Four minutes into the second half, York's Ron Roda took advantage of both a slipping defenseman and an uncalled hand ball violation to position the ball to Gargotta, who in turn assisted Himes for the third goal for York and in-

crease the lead to 3:1. After York's Mike Evans was called for obstruction, John Grabowski lined up for the indirect kick, but instead passed to nearby Tom Rudolph who converted the goal over a five man wall installed by York Campus. This narrowed York's lead to 3:2 and brought the crowd to its feet since time was slowly dwindling for Capitol. Armand Magnelli then scored his second goal of the game after an assist from Ed Mirabello and knotted the score at 3:3. Tom Rudolph was then ejected from the game after crashing into York's goalie, Keith Foose, and was replaced by Ed Stopper. Capitol's Bob Schmidt was called for a hand violation and set up a direct kick by York. Gus Gargotta, who moments earlier had to be literally carried off the field by the coach and teammates, came in to convert the kick and make the score 4:3. Incidentally, word has it that Gargotta has a knack of getting injured in soccer games like Montreal's ex-second baseman, Ron Hunt, getting hit with baseballs (holds record for season). The goal was cancelled after the referee found out that Gargotta was substituted after the violation and York's Denny Himes scored his third goal of the game to officially make the score 4:3. This left Capitol three minutes in which to knot the score 4:4 and it came on a shot by Capitol's Mounir Azar with 1:15 remaining.

Capitol's wings, Ed Mirabello and Armand Magnelli, literally left York's fullbacks in the dust and played a fine game. Jeff Hooten made some dramatic saves as Capitol's second half goalie and also deserves a lot of credit. Upon issuing an ultimatum to the two coaches as to another period of play, Coach Ed Trunk was willing to "go another one", but York's coach was content on a tie as I stated earlier in the article. Capitol (2-2-1) will play the International Club on November 2nd (All-U-day) at the park, a team with highly skilled players from various countries.
