

Letters To The Editor

Where are we? Where am I? How did I get here? I know I'm on the third planet from the sun. This spaceship Earth is running out of fuel. Your in Lion Country.

One day while taking a leisurely walk through the backwoods of Hershey I came upon a very large animal. The being had been transformed into an erotic artichoke. There upon I met a crazed banana (Bics brother-in-law) who said to me, wheres the nearest phone booth. I asked Mr. Banana why he needed to make a call was it to his Monna Banana and to Chicetea. Neither was correct. He was afraid of being used for a banana split, and the fruity tooty fuzz were on his trail? for escaping from ice cream parlor (DQ). So upon my leaving Texas I found a silver bullet which had been one of Loneip which he had lost in a battle with Attila the Hun.

Meanwhile back at the ranch Tonto and Scout were making exotic films with the help of Lreni Lopez and Ray Roslzus, however hi if Dave at home with sky King. Dale and Penny were feeling effects of the Mad Latters tea and LOADED Brownies. Penny sitting on a mushroom with the worms water pipe looked up at the sky and their Lassie, Recky, and Bullwinkle being chased by Boris and Natcesha who in turn were being chased by Dudley DooRight, who was still in search of Little Nell who had been abducted by Snidley whiplash. But to no avail the time is about over for Alice's Restaurant and the Red Scare. So they find on year after year in a big house on the hill beside the shoe outside of Debuke.

T. S. Eliot

FACULTY AND STAFF

DR. V. N. MURTY and DR. J. M. MAYNARD participated in the proceedings of the 20th Conference on the Design of Experiments in Army Research, Development and Testing held at Ft. Belvoir, Va. from Wednesday, October 23rd to Friday, October 25th, 1974. Highlights of this conference were Ranking and Selection procedures, Order Statistics and their uses, and new methods of Multi-Variate Data Analysis.

DR. WINSTON A. RICHARDS was the Capitol Campus representative at a meeting of the American Association of State Colleges and Universities on October 17, 1974, in New York City. The meeting was sponsored by the office of International Programs.

DR. CHARLES A. COLE presented a paper, "Odor Control at Hershey Wastewater Reclamation Plant Using Hydrogen Peroxide Treatment," at the Mid-Atlantic Industrial Waste Conference at Drexel University on Wednesday, November 13, 1974.

MARIAN KRIEGER and EDWARD BECK were interviewed by Verna Edmonds on counseling services offered to students at Penn State-Capitol Campus. The show was broadcast on Saturday, November 9, on WHP-AM.

JAMES R. HUDSON was a member of the "Community Security and Community Development" panel at the Mid-Atlantic Regional Conference of the Council of University Institute of Urban Affairs. The conference was held in Philadelphia on November 15, 1974.

MRS. RITA BLATT has been nominated to fill the vacancy on the Faculty Council created by the resignation of Dr. Robert Conover.

Because the world needs all the help it can get.

Long after the holiday decorations have been taken down, the good works made possible by UNICEF cards go on.

UNICEF provides urgently needed food, medicines, and school supplies for the children of over 100 countries. All the year round.

UNICEF cards cost no more than ordinary cards and are among the most beautiful and varied available. This year's catalogue lets you choose either contemporary artists' designs or magnificent museum reproductions, all expressing the holiday spirit of universal joy and good will.

Plan to give the world a little help. Send for your free color brochure of UNICEF cards.
