Coach's roundup

WRESTLING:

Although the IM wrestling program will continue, it looks as though the 6 matches scheduled during the winter term will be cancelled due to lack of interest. Those matches are Schuylkill Campus, Jan. 18; Mt. Alto Campus, Jan. 22; Lehigh Co. Comm. College, Jan. 24; York Campus, Feb. 1; Ogontz Campus, Feb. 8; and Hazelton Campus, Feb. 12. It is still not too late to put the wrestling team together----if you are interested, call the Recreation-Athletics Building, 787-7751.

TABLE TENNIS TOURNAMENT:

The Capitol Campus Table Tennis Tournament will be held during the week of January 13th. This tournament is limited to full time undergraduate students ONLY, because the winners will represent Capitol in the Regional Association of College Union Tournament which will be held at West Virginia University, January 31, February 1 and 2, 1975. Registration for the tournament is going on now and will end January 10th. Call the Rec-Ath Building, 787-7751.

INTRAMURAL BASKETBALL LEAGUE:

Anyone interested in entering a team in the Intramural Basketball League, (co-ed league), should stop by the Recreation-Athletics Building and pick up team rosters. The league is scheduled to begin on Monday, January 13th. For further information call the Rec-Ath Bldg, 787-7751, or stop by.

RECREATION-ATHLETIC PROGRAMS FOR WINTER TERM:

Most of the Rec-Ath programs that were offered during the Fall Term will continue in the Winter Term, with a few exceptions. Programs to continue are: bowling; table tennis) fencing; volleyball; wrestling; weight training; martial arts; archery; marksmanship and modern dance.

FUTURE CLUB ACTIVITIES:

Registration for Spring soccer, golf, tennis and baseball clubs will get underway in February. Start giving these activities some thought NOW!

The fall 1974 season netted Capitol another notch on the Lion's soccer paw. Progress was evident in the 9 game season by the status of the schools we took on; (Spring Garden, F&M, PSU Internationals) and by the potential talent of a basically new soccer squad. This potential did not mature until the season was well underway. By season's end, the team displayed excellent ball control and team work. The players had found their optimum combination and learned the style of their teammates. The campus has now the best soccer talent since its first squad two years ago. It is also the largest squad. The possibilities for attracting a high level of competition to this campus is greater than ever. We have already received offers to enter leagues and varsity status. Unfortunately, most of the student body and almost all of the faculty/staff are unaware of this positive factor in Capitol's being. It is something that should be shared and enjoyed by all of us. The C.C.Reader helped us share our news this season by providing excellent coverage, and we are grateful to its editor, JIM BOLLINGER* for a much improved newspaper. Special THANKS go to GENE EDDY (Sr. MDET) for his well-written game reports.

The season record was 3-4-2. This included four games that could be classified as "romps". In game #1, we rolled over York Campus 6:3. N.E. Christian was squashed 6:2 in game #4, and Valley Forge was blitzkrieged 5:1 in our 9th game. We took on a top Phila. team, Spring Garden (4 year school). They rolled over us 10:1 in game #6. No excuses---our team played well and learned from the experience. The season also included two "cliff hanger" games. A 3:1 lead by York Campus during our second encounter at Capitol Campus

(game #5) eroded to a final 4:4 stalemate. Ouch! Similarly, a 5:0 smash during the first half of our 7th game versus Lancaster Bible College was reduced to 5:5 by game's end. Both games saw the fans in a state of frenzy as the final minutes ticked by. These were very exciting games.

Every season contains a couple of games whose scores do not tell the story. For us, it occurred in the 0:4 loss to Franklin & Marshall (game #2) and the 2:4 loss to Schuylkill Campus (game #3). In both of these early season games, our scoring punch had not yet matured, yet our team controlled the games. These were cases of winning the game at mid-field but losing in front of the goal. Frustrating!

Finally, our 8th game versus PSU International Club can be classified as a good soccer match that proved our capability against a top team. The 3:5 loss tells the story of a close match. This team consists of graduate students at University Park who hail from countries where soccer is king. They undergo a more ambitious practice schedule than we do (as with all our competition, for that matter). They have also held up well against the PSU varsity squad.

A tribute to the 25 players who gave of their time and effort!!!! This spirited group was a pleasure to work with and give great promise for an outstanding Spring season. Co-Captains Ken Albert and Randy Hess ably took care of the team's managerial needs. Veteran John Harris lead our scoring, followed closely by Mounir Azar. The team's scoring potential was seriously set back when Tom Plank was disabled with a twisted foot at mid-season. Tom was our new hope for a goal getter, proving himself with a hat trick in the N.E. Christian game. His absence during the second half of the season cost us a sure 3 goals per game.

Most of our forwards shared in our 32 goals. An unforgettable exception was the cannon ball driven in from mid-field by our ace half-back, Jim Rowe during the PSU Club game. Special thanks go to Rick Burnfield and Jeff Hooten who, without any prior experience, are giving the goalie slot a fair try.

The team plans something new to maintain physical condition over winter. We will move indoors into the base gym for weekly workouts. We also plan to hold our first Alumni game in Spring. There is still a need for two managers (male or female). Anyone interested in this, or desiring to work out with the squal should leave word at the Recreation/Athletics Building.

We are indebted and thankful for the assistance given by our Athletic Director, BUD SMITLEY. Many thanks also to Mrs. Arehart for taking care of more things for us than I can list here. Capitol Soccer has prospered by both of you being with us. As for you, dear reader, we look forward to seeing you at our games when we return again in Spring. If you enjoy a good athletic contest, do we have a treat for you.....

BASKETBALL

with Bud Smitley

The Capitol Campus opened the 1974-1975 basketball season with an impressive 79-66 win over Lancaster Bible College. The local favorites opened up a large 20-6 first half lead and then coasted to a relatively easy win. The big scorers for Capitol were JOE GRANT & JIM BAKER with 30 and 29 points, respectively. Other scorers for Capitol were RODNEY METZGER 8; JIM SHOENBERGER 6; BOB GARMAN 4; and STEVE DeFRANK 2. Lancaster Bible's scoring was paced by Long and Davis with 22 and 16 points, respectively.

The Capitol dribblers kept their winning ways going as they trounced the Messiah JV's 95 to 83, as coach Al Williams unloaded the bench with 3 minutes remaining which

helped keep the score respectable. This was probably the best shooting night Capitol has ever had as they hit for 40 of 61 field goals attempted for an excellent 65 percent of their shots. Once again the Capitol "FIVE" were paced by their scoring "twins" JOE GRANT & JIM BAKER---JOE hit for 17 of 21 field goal attempts and 5 for 7 from the foul line for 39 points bringing his per game average to 35 points, while JIM had 13 of 21 from the field and 2 for 2 from the free throw line for 31 points, giving him a 30 points per game average. One sour note: GRANT twisted some ligaments in his ankle with only a minute or so remaining and may be lost to the team for 4 to 5 weeks!! (HEAL FAST,

JOE, WE NEED YOU !!!!) Rounding out the scoring for Capitol were STEVE DeFRANK 12; BOB GARMAN 6; RODNEY METZGER 4; JIM SHOENBERGER 2; and GEORGE KOSER 1. Top scorers for Messiah JV's were Bryan Irwin 23; Hi Rowe 20 and Dave Meyer 18.

Our hometown "heros" traveled to Winchester, Virginia on Tuesday, Dec. 3, and without the services of Capitol's leading scorer, JOE GRANT, they were overwhelmed by Shenandoah College 105 to 68! Head Coach Al Williams said that even without Grant he felt Capitol could have won the game if they had played up to their

The Graduate Assistants of the Community Psychology Program will be collecting non-perishable foodstuffs (canned goods, dry goods, etc.) for Christmas Food Baskets to be distributed to needy families in the Middletown-Harrisburg Area. If you want to donate something for this cause, bring it to W-138, The Collection Center.
