Dugout Diction

by tonnie mac

Play Ball!!! --- And another Umpire calls the American pastime to order. Capitol Campus is no exception as the on deck batter yells out cheers such as "Any way to get on" or "Make him come to you" or Good Eye!!

Yea ... Capitol is Penn State ... we are Penn State You are in Lion Country! It sounds like autumn splendor with goal posts and blue bands... but it is spring glamour and the spirit is running high from home plate to the bull pen beyond the center field fence.

A Bat Girl!!! ... Yes the Capitol Campus baseball team is in full force with all the glamour of Little Hollywood Field and a co-ed at the corner of the dug-out!!

The Diamond Dusters are out to enjoy the American pastime, practice good to play good and be proud to be a part of a working unit at Capitol Campus. A dedicated effort by some 22 players has done it all. Baseball is running, hitting, throwing, fielding and whoever does it best has the noisiest dug-out!

As soon as Bud Smitley gets the Blue & White

Dome, we can play the baseball games as scheduled. Just think of all the grass we would have year "Round".

Nothing is as dramatic as a batter waiting on a two and two pitch, with the winning run at third base in the bottom of the last inning. That is what baseball is all about --- "Baseball is dull only to those with dull minds". Pay attention to the details and you will find yourself on the edge of the seat asking yourself: "Why The Huddle On The Little Hill?"

At any rate, returning to my chilly dug out --- just in time to get a sniff of the

meadow dressing, I see the team in Blue and White is ready to take the field.

They include:

F. Andring - B. Baer - S. Calabro - F. Clark - D. Dosch - A. Foreman - T. Gormley - B. Greenleaf - R. Hess - A. Hutchins - J. Kalista - J. Kunigonis - R. Lillie - M. Martin - T. McMillen - B. Nolan - S. Norford - S. Renwick - M. Rizzo - L. Stegall - R. Stevens - E. Stish - and our bat girl Barbara Kafferlin.

What position does your buddy play? Come out and see how many "Round Table" Robins you can spot on the Grassy Knoll!!

OSU Game Tickets

UNIVERSITY PARK, Pa.-A total of 1,000 tickets have been reserved for Penn State students for the Nittany Lions' Sept. 20 game at Ohio State.

A lottery during the first week of May will determine the recipients of the tickets, which are priced at \$8 each and are limited to two tickets per application. Only students who will be enrolled full-time during the 1975 fall term are eligible for the drawing.

Commonwealth campus students may apply through the Student Affairs office on their campus during the week of April 21-25. Now mail orders will be accepted.

Student ticket recipients will be notified by mail before May 10. A complete list of ticket recipients will be posted outside the Athletic Office and at Beaver Stadium during the Blue-White game on May 10.

Penn State and Ohio State officials entered into a reciprocal agreement to exchange 3,800 tickets for the Sept. 20 game in Columbus this year and Ohio State's visit to Beaver Stadium Sept. 18, 1976.

Hockey Fans, Ice Skaters

A hockey-skating club is being planned for next year. Membership will be open to all -- students, faculty, staff, women, men, skaters, and non-skaters. (If you can't skate, but would like to learn, we'll teach you.) At this time we expect to rent Hershey's outer rink once a week as well as to flood the soccer field when the weather gets cold. (There's a long shot of getting a REAL rink!) Although a major

focus of the club is to develop a college club hockey team, we'll have lots of "skating for fun" outings. In addition, outings to watch the Bears and Washington Caps are also planned. An organizational meeting will be held 4th period, Friday, April 18, in Room W-309. If you are unable to attend please stop by W-357 and fill out a data form.
