Free Ad Forms Available In W110

Classified ads will not be published in the special Graduation Issue. However, as a special service, the Reader will print any personal messages from any graduating students in that issue.

The purpose of these messages is to allow graduating students a chance to say something special to that someone special.

The messages can be no longer than forty (40) words and must be printed or typed on the regular Reader Classified Ad sheets. These green forms can be obtained on a table in W110.

The deadline for submitting your personal messages is June 2 at 12 noon.
