What's Your Opinion Of The Smoking Restriction Policy Instituted This Term?

Feature by Mark Switzer

Jill Mason 7th term Soc. Sci. - I think people who don't smoke are entitled to not be bothered by smokers, but on the other hand, I feel someone who does smoke should have that right. Perhaps putting people who smoke next to windows in the classroom is a solution. It's an individual decision.

Cathy Kresge 7th term Bus. - I feel that the present smoking policy is good to some extent. I do believe that students should be able to smoke before and after classes in the halls. At least non-smokers are no longer bothered.

Steve DeFrank 10th term Bus. - I feel the smoking policy should be left to the discretion of the professor in the classroom. People should smoke if they feel they want to. It's up to the individual.

Mike Welliver Graduate Student - I recently quit smoking after being a heavy smoker for five years. Now that I have quit I realize how unfair it was for me to have smoked around non-smokers in the past. I appreciate having fresh air and support the new measure for limited smoking areas.

Gary Wright 10th term Bus. - I feel anyone wishing to smoke can wait till after class and restrain while in a dining facility. Anywhere else is perfectly all right.

Melissa D. Hobb 7th term Accounting - I would suggest that the lobby areas where wings join on each floor be designated smoking areas and be furnished ash trays. We're using them anyway.

XGI REPORTER

Well folks, its back to the grind again! I'd like to say congratulations to the recent grads (never forget that party!), welcome back to the returning frat members, and a big welcome to the new frat members!

BLOOD DRIVE--those are the big words in the frat these days. This blood drive is one of the big activities that makes the frat a service organization. The drive is sponsored by the XGI's for the entire school community!! Therefore, the frat asks that all people at Capitol Campus should consider donating blood. The sign-up sheet is in the fraternity lounge in the main building. Also, to those who donate blood, the frat contributes (through SGA funding) coffee, orange juice and donuts! Frat members organizing and helping with the blood drive are Vice-Pres. Edna Keister, Myron Lebo, Sally Wallace, Tim McClinn, Gary Wright and Tom Cleary. Its good to see juniors getting involved! The Bloodmobile will be here all day on Thursday, October 16. Let's make this drive a big success!!

I would like to introduce the frat officers and committee heads to the new members: (these names will probably become quite familiar in a short while!)

- President - Paul Skodacek
- Secretary - Bruce Sommer
- Social chairman - Pat Truitt
- Master-at-Arms - Jorn Jensen
- Vice-president - Edna Keister
- Treasurer - Ken Harris
- Sports chairman - Denny Mogel

The 3rd week in October will be a busy week for the frat! New members will get a good feel of frat activities! October 14-meeting at the Tiltin Hilton in Highspire at 9 p.m. October 16-the BLOOD DRIVE, all day. October 18-Keggar at the Middletown Anglers and Hunters Club. For new members (as well as old!), a keggar is a real experience! All the beer you can drink, all the dancing you can do, and all the music listening you can do for a very small admission. Bring your friends from Campus and from all around! Bring your wife, your girlfriend, your husband, your boyfriend, or if you have one of each-bring them all!

We would like to see the new members stop in the lounge--there's a lot in there including bulletin boards with cards of things for sale or loan. There's also an XGI intramural flag football team forming--they need some juniors to sign up.

Regarding the block party at the Paul Skodacek and Ken Harris residence, I know that all had a good time--including my wife and myself. Thanks! Also, it seems that Pat Truitt was definitely impressed!! "I'm impressed!, I'm impressed!" And to think that that apartment was a virgin apartment until that party!!

The last item is meetings--I regret that we had to meet in the auditorium for our first meeting--but nature had to do her thing, so the Tiltin Hilton was flooded as a result. Anyhow, the next meeting will be at the Tiltin Hilton and I promise all new members a good time. Old members know that there will be a good time. See you there!!

SGA Elections

cont. from pg. 1

A voter is allowed two senator votes. An officer's ballot is considered separate from the senator's but is on the same piece of paper. As opposed to previous years a candidate must have seven votes or 10 per cent of their curriculum to be acceptable for a senator's position.

October 14 is election day at Capitol Campus. Polls will open at 9 a.m. and close at 8 p.m. to accomodate evening students. This could be the term to end a lack of student involvement on campus. You can help by voting.
