Residence Halls Hold Olympics

By John L. Lelorzapf

Those of you not residing in the residence halls probably wondered at the activities taking place in that area and at the Rec/Ath Building from April 5-15. These activities were part of the first Capitol Olympics.

The nine-day event was launched with a picnic-kegger outside the Dining Hall with music provided by "Stewed Again."

A tug-of-war took place between Church and Wrisburg

Halls. Even with Arch D'Allura as anchor man, Wrisburg was dragged through the dust by Church Hall.

Gary Burger, chairman of the Olympics, said he was pleased with the event. "The most amazing thing was that there was no rain during the entire period."

Burger added that he thought one of the highlights of the Olympics was a basketball game between 2nd floor Wrisburg and 1st floor Church Hall.

Wrisburg was victorious but only by a margin of 52 to 51. Wrisburg went on to win the finals by beating 2nd floor Church 58-46.

Burger said Rich Fry won the most events--cycling, 120 yard dash, 220 yard dash, 440 yard dash and the Frisbee Throw.

Joe Fisher impressed everyone in the weight lifting competition with a bench press of 310 pounds and a dead lift of 450 pounds.

Since the last issue, the XGI's were at U.P. for the annual softball tournament, there has been a first spring kegger and there is a Blood Drive today. Results from these activities will be discussed in the next article.

It has been determined after re-reading the constitution that there is nothing stating that an alumni must be a member of the alumni association to get in for a \$4.00 fee. So, those alumni who are not members of the alumni association will be able to get in for the same \$4.00 fee.

In the recent SGA elections, Chip Martin and Lenny Klonitsko both won senator positions.

One big change in the Phillies baseball game tour this May will be a greatly needed added luxury which will cut out the stops at the Howard Johnson's enroute - Johns! Check in the lounge for sign-ups, dates, departure, etc.

The XGI's will run the concession stand in conjunction with the Business Club at the spring concert and the sign-up list is complete, but Vince Johnson has stated that he will accept additional sign-ups since he'll need all the help he can get. Concessions people will be wearing green shirts. Once again, The XGI's will have a tent for our use.

Six new members drank in as an initiation at the last meeting. They were: Darrell Bookheimer- 7 sec., James Ross- 4.9 sec., Tony Adams- 10 sec., Pat Laurie- 66 sec., Walter Bilski- 11 sec. Lenny had a slight problem with his third mug, but I'm sure he's recovered by now. Of course, Gary Wright had to show how it is to be done with a best time of 7.2 sec. Paul Skodacek also drank from the mug a few times. Congratulations to the six new members above.
