

# XGI Reporter

By Keith Millison

On behalf of Chi Gamma Iota Fraternity I would like to welcome all incoming Juniors and returning Seniors to Capitol Campus. I hope everyone had a great summer and came back with a positive attitude. The fraternity is a service fraternity composed mostly of fellow veterans and some social members, which is better known on campus as the XGI's. The past school year was a very worthwhile and productive year for our organization.

Since we are the most active organization on campus, there are a lot of activities in which almost everyone on campus will participate or have some interest. Some examples of our activities throughout the school year are as follows: Annual Blood Drive, which benefits members of the school, help with Orientation and registration at the beginning of the school year, and the most popular is the Annual Spring Concert and picnic at the end of the school year.

Besides these service activities and functions we also have some recreational activities which promote a lot of interest. The XGI's Keggers at the Hunters and Anglers Club off campus is the most talked about and enjoyed Keggers given by a school organization. Believe it or not there usually are plenty of girls that come from surrounding local towns and schools because of the reputation of our Keggers. Other recreational activities include entry in the annual bathtub race in which we placed 2nd last year and proceeded to consume 1/4 keg of beer as our 2nd place prize. We also attend a Hershey Bears Hockey Game and of course a Phillies Baseball Game. In addition to these activities we participate in Intramural Football, Basketball, Softball and sponsor two Bowling teams every term.

We urge all veterans and anyone else who is interested in becoming a social member to stop in our XGI Lounge, located on the first floor in Room W-114. Feel free to drop in anytime. Once again welcome back and best of luck in the school year.

Our current administration is listed below:

Myron Lebo--President  
Sally Wallace--Vice-President  
Keith Millison--Secretary  
George Winterstein--Treasurer

## Soccer Team Ready To Go

The pre-season training, which began over two weeks ago, is at an end and a large squad of 26 soccer players are ready for the fall season.

The first game, on Saturday, is with Schuylkill Campus here at 1 p.m. All are invited to attend! We meet Berks Campus here, on Monday, at 7:30 p.m. under the lights. This will be an outstanding match.

The week will end with N. E. Christian, on Thursday, (Home), and Mt. Alto on Saturday (Away).

The team looks forward to a challenging 13 game season and the backing of a spirited campus community.

You may want to improve your study skills and reading efficiency. Dr. Joanna Sullivan is available Fall Term to help a limited number of students. You can contact her in W-351.

If you are interested, the Capitol Campus Aviation club will be having another meeting next Tuesday. You don't have to take part in the Free Ground School, or the exciting field trips. You don't even have to take part in the great flying experiences. You can just pay the economical term dues and be an apathetic member; that is if you want to. For the meetings just watch the bulletin board for the time and place. Oh yes, the Ground School hasn't officially started yet so you may still join and get a start in your flying future. We'll be looking for you.

The Student Affairs office (W-103) has applications available for both graduate and undergraduate health insurance programs. These programs made available through the Student Government Association are offered to you at reduced rates.
