The fraternity would like to thank all those students who donated blood on Thursday, October 14th. The blood drive was a big success with 61 pints of blood collected and 13 rejections. Our sports chairman, Rick Mosley, reported that our flag football team has a record of 0 wins and 2 losses, but we hope to finish strong. On a more positive note the two bowling teams are doing quite well and hopefully will be in the playoffs. The football films that were held on October 14th were a big bomb like last year. (It was Myron's idea) All members of the fraternity are currently selling raffle tickets with some great prizes being offered. Some examples of the prizes are micro-wave oven, radial tires, movie camera and projector, 8-track car player, golf clubs, 5-speed bike, tennis rackets or the option of getting cash. The fraternity's first keggar of the year was held last Saturday, October 23rd and most of the people who attended had a good time. The only complaints seem to be about the size of dance area and the group that was playing. At the next keggar which will be held sometime in November there will be a few

changes in the layout so there will be more room.

At our last meeting we had 12 new juniors drink out of the fraternity friendship mug. The names and appropriate time of each mug of beer is listed:

in Room W-138. Time management, family attitudes, family responsibilities, student-professor relationships are just a few of the topics that are discussed with much enthusiasm.

It's comfortable to talk to people with similar problems. Also, peer counseling sessions are being held on Tuesdays from 11:00 to 1:00 in Room W-138.

Many of the professors have lauded the accomplishments of the mature student. They feel she is highly motivated and contributes stature to the classroom.

Carol Faili is president of Returning Women. Lee and Laura are acting advisors. Anyone interested in joining Returning Women should drop in to one of the brown bag luncheons any Thursday.
