Running Around

Cross country coach John Schwanger recently placed first in the Masters Division in the Governor Dick six-mile run, with a time of 35:15. Bud Smitley completed the Harrisburg National Marathon, covering the 26 mile 385 yard course in 3 hours 26 minutes to qualify for the Boston Marathon in April. Dr. Robert Brown and Bud are getting ready to defend the masters and senior first place finishes in the Marine Corps five mile run, Sunday, November 14. On the same day, several members of Capitol's cross country team will venture to University Park to compete in the National AAU Cross Country activities.

Must have equipment. Only seriously minded people apply. Call 944-3378.

The No Names have won their first "victory" even though they "lost" the game. The No Names consist mostly of Ogontz MET graduates.

In Ogontz we went under such names as the M.E.T.'s and the Simple Beams. Our previous game records (for last two years) were always 0 wins, losses. In fact, we didn't even score at all at Ogontz; I'm not even sure if we made any first downs!

We continued this perfect record until last week when we scored, not one but two touchdowns topped with one extra point.

The experience was strange. We didn't even know how to line up for the kickoff; we never had to before.

We would like to thank our opponents for the joyous joy of all long awaited joys, our first victory- "scoring."

STUDENTS! FACULTY! STAFF!

We need everyone's cooperation in turning out the lights after class and after office hours. Please help us not to be Fuelish!

Thanks for helping to conserve energy!!

Weather Days

GREEN PLANT SALE Benefit, Returning Women's Organization

Tuesday, November 18, 1976 10 a.m. - 8 p.m. Vendorville

Returning Women's Organization is a newly formed group, primarily aimed at the special needs, interests and demands of the non-traditional student. The Organization provides assistance to the non-traditional student whether it be supportive or informative in nature.

Profit realized from the Green Plant Sale will be used to sponsor pertinent workshops, speakers and activities. The plants will be provided by Green World, a Lancaster-based "plant party" business. There will be a wide variety of plants, from tropical to cactus, ranging in price from \$1.25 to \$10.00.

Lost and Found

There are six jackets in various states of virgin disrepair to be reclaimed by their (the jackets) original owners. These jackets, if not reclaimed by the original owners, which will be difficult to verify in the first place, will probably be given to whomever has enough interest in keeping themselves warm and goes to the Business Office in 114, the site of the lost and found.

A special note of thanks from the Health Services and the Office of Student Affairs to the many students and all others who gave of their time and services during the recent Swine Flu Vaccine program. Due to their unselfish efforts, the community service program was executed very efficiently.
