

WHAT'S HAPPENING IN RECREATION AND ATHLETICS

Rec/Ath Building Closed!

Due to the present energy crisis and the fact that the Rec/Ath Building is entirely gas heat, the building has been closed. The offices are temporarily located in the Placement Building.

To date the telephones have not been moved into the new location, so it is requested that you try to stop by personally if you have any questions regarding any present activities. All schedules and standing boards are posted in the present offices. Also, equipment and the key for the Base Gym can be checked out from the new location.

Mr. Smitley will see that the building is open on a limited basis-Monday thru Friday from 10:00 A.M. to 12:00 NOON and from 1:00 P.M. to 3:00 P.M. You are reminded that the heat has been drastically reduced and the water has been shut off. The building is cold and there are no rest room or shower facilities!
