

Resident Assistants

The selection process for the appointment of Resident Assistants for the coming academic year will begin with an informational meeting to be held Wednesday evening, April 13, 1977, at 7:00 P.M. in the Gallery Lounge. Following a group discussion, applications will be distributed to all persons interested in seeking the R.A. position.

Resident Assistants are the University's representatives in the Campus living areas. R.A.'s are charged with the general welfare of all persons in the area to which they are assigned. Additional duties include: aiding in the individual adjustment of new students to Campus life; interpretation and enforcement of University and residential policies; counseling and referral for personal problems encountered by residents; and organization and support of programs designed to be of a social or educational benefit to residents. Specific duties related to these general areas will be discussed at the April 13th meeting. Remuneration to persons appointed to the R.A. position comes in the form of a per term fee reduction allowance of \$473.00 for persons assigned to Meade Heights; and \$630.00 for those assigned to the Residence Halls.

The following steps in the application process must be met before an applicant may be considered a candidate for the Resident Assistant position:

1. The applicant must be matriculating at The Capitol Campus as a full time undergraduate or graduate student at the time of filing an application for the position.
2. The applicant must have filed an application for on-Campus Housing for the 1977-78 academic year. Applications are available in the Housing Office, and must be filed in the Finance Office with the \$45.00 advance deposit no later than March 31, 1977.
3. The applicant must have a cumulative Grade Point Average of no less than 2.20 earned at the Capitol Campus at the time of filing the application. Additional requirements in the application process will be discussed at the meeting. Persons unable to attend the meeting may pick up an application in the Residence Living Program Office, 946A Kirtland Ave. between April 14 - 22, when they become due.
