McDonald's® Shamrock Shakes bring out the Irish in you.

"Sure 'n even we experts love 'em!"

Maybe it's the taste that's as frosty and fresh as the Erin dew.

Or perhaps it's the color that's as green as the sprawling moors of Kilkenny.

Whatever it is that makes McDonald's triple-thick Shamrock Shakes so Irish, it's also what makes

'em so good.

If you've had one, you know what we mean. And, if you haven't you're in for a treat.

So stop in at McDonald's and have a Shamrock Shake. Then you can tell your friends that you've got a bit of the Irish in you.

We do it all for you ..
