Coach "Rock" D'Emilio feels

the team should end this season with a good record. The team has been having full field practice sessions for the past several weeks.

Team members for the Spring 1977 season are as follows: Returning seniors— Jeff Bossard; Ed Driscoll; Pat Kelly (co-capt); Tom Lucey; Bill Morrell; Gary Owens; Jerry Staskell; Mike Szep (co-capt); New Junior members— Paul Arbuckle; Mike Barbush; Jim Dunbaugh; Ron Miller; John Reilly; Frank Zeak; Steve Zelonka; and a new senior member, Tony Fischetti; Coach Rocco D'Emilio.

Baseball is the great American pass-time—so come out & cheer for your team!! We can't promise you hot dogs,

peanuts, or cold beer,—but we can promise you a good ball game!! The coach has been putting in lots of time and the team has been practicing hard! They deserve backing!! a four way tie for first place. Again congratulations to Joe, 'pat, Lenny, Myron, Keith, and most importantly Sallace Wallace who substituted in great style. Our fraternity also had another winner with our volleyball team captained by Pittsburgh's own Joe Horochak who lead the team to a first place trophy with a record of 6 wins and 1 loss. Joe suggested Pav of the Wazoo's can come down anytime to polish the team trophy.

On March 3rd our fraternity held elections for the purpose of nominating new officers. I want to congratulate the following people on their success on being elected: Mark McGlynn (President), Bob Abbott (Vice-President), Bill Stockler (Treasurer), and Reggie Utt (Secretary). The outgoing executive board did a hell of a job the past year and I know the entire fraternity is grateful for their efforts. As one might expect, the office of President is a demanding and endless job that requires a lot of personal sacrifices and most of the time is hardly rewarded by a thank you. Myron Lebo, our outgoing president, did an outstanding job and never complained to anyone about the time and effort he had to put forth to make our organization a success. Myron, I want to thank you personally for a great job and the leadership you instilled to make everything run smoothly.

XGI News

By Keith Millison
