By Keith Millison

The fraternity's softball team is off to a good start this past week, racking up three decisive wins over in-league teams. Our team is looking forward to playing teams in the American League to squash the rumors that we can't handle the competition in the American League. In less than two weeks our softball team will be going up to University Park to represent our school in a state-wide sponsored fraternity softball tournament. The last two years our team has done quite well, taking first place two years ago and 4th place last year. There is a total of 25 teams entered in the tournament and the two days of softball is lots of fun for everyone involved. Although I might be a little biased, I feel this year's squad is the best

team we've had in the last few years.

Getting away from softball for a moment, the fraternity's bowling teams are not doing too well, except for XGI's #1, which duplicated last weeks task of taking three out of four points. Better luck to the bowling teams and hopefully all our teams will make it into the playoffs.

The fraternity's next Keggar will be held on Saturday, April 30th at the Hunter's and Angler's Club in Middletown. Most of the time we don't have to advertise for our Keggars because everyone knows how good they are and our reputation has been established.

Also, the Spring Concert is coming up very soon and everyone should be thinking of how to help out in whatever capacity is possible.

# Smitley Runs Boston Marathon

## See Bud Run

Bud Smitley, Recreation/Athletics Coordinator at Capitol, ran in the 81st Annual Boston Marathon this past Monday, April 18, and completed the 26 miles 385 yards in 3 hours and 31 minutes. This was Smitley's first Boston Marathon and he stated that he underestimated the difficulty of this tough course that begins at Hopkinton, Mass. and ends at the Prudential Center in downtown Boston. He ran the first half of the marathon with a respectable time of 1 hour and 33 minutes, but ran into dehydration problems during the second half which took nearly two hours to complete. The winner of this marathon was Jerome Drayton of Toronto, Canada, with a time of 2:14:46, followed by Veli Bally of Turkey, with 2:15:44. Miki

Gorman won the women's division with a time of 2:48:44.
