On Sunday, November 5, the Press Association of Commonwealth Campuses met at University Park for the first time of the '77-78 school year. The Association is a university organization designed to increase communication and cooperation between Penn State campuses, and to foster creative ideas and conventional training of the university newspaper staffs. Approximately 20 editors and staff members from Berks, Capitol, Delaware, Wilkes-Barre and Worthington Scranton campuses attended. Present from Capitol Campus were Ed Perrone, Carol Andress, Bill Kelly, Joy Edmondson and Peggy Hartzell.

Loraine Goodenough, Press Association President, opened the conference at 11:00 a.m. After consideration of sundry business matters (agreement to revise the Association's defunct constitution, discussion of the organization's three-fold purpose and evaluation and change of membership fee policy), Association members attended workshops in one of three areas: news writing, layout or advertising.

Bill Campbell, Press Association Advisor, led the news writing workshop and then presented an informative and informal talk about the functions and uses of the Department of Public Information. Bill is the former Director of Public Information at Capitol Campus. He current-

The high point of the day was a presentation given by Ed Perrone, Carol Andress and Bill Kelly of Capitol Campus. Ed, Carol and Bill informed the newspaper staffs of the upcoming rally to be held at noon on November 15 at the Capitol in Harrisburg, Pa.
