The Capitol Campus basketball team picked up its fifth victory of the season Thursday night with a 78-54 victory over Lancaster Bible College.

The Lions controlled the tempo of the game. Junior, Kris Elish controlled the offensive and defensive boards for the Lions. Capitol was stealing the ball and fast breaking at will.

The Lions led by as many as 30 points mid-way through the second half. The score at half was 39-24. Coach Jim Baker substituted freely with everyone getting a chance to play. Scoring honors for the Lions went to Kris Elish who netted 20 points.

On Monday night the Lions were handed their second loss of the season at the hands of California State of Pennsylvania by the score of 98-68.
