

Recreation And Athletics

Effective Immediately

All racketball court reservations will be accepted for one week in advance only!! Also, when reserving a court in advance, if you find that you are unable to keep your reservation, please call 787-7751 and cancel. The demand for courts is very great and it has been noticed that according to the reservation sheet for each particular day the courts are all reserved; yet, when a check is made several courts are vacant!! This is not being fair to some one waiting to use a court, so **PLEASE** take a minute to call to cancel your court.

PBL Reporter

While gazing out through my window I spy-dirty snow. With March coming in like a lamb around the corner, a lot of people will be thinking green. Another way to spell March is R-E-L-A-X, for it signals the end of an unpredictable term. Put green and relax together and one gets an idea of Phi Beta Lambda's upcoming bash. **Think Irish** is the theme behind PBL's party on March 17 in the student center. There will be

live entertainment featuring **Still on the Hill** and DJ Joe McCarthy. The bash will run from 9 pm to whenever. Refreshments include Green Genesee Cream Ale, Shamrock Sap and punch for you tea-totalers. More details will follow concerning when and where to buy advance tickets. So circle March 17 on your calender and end the term with us. There's a little bit of Irish in us all!

The Lost and Found in room 118 is filled with various kinds of winter apparel. If you are missing mittens, gloves, hats or scarfs, please check in the Lost and Found for your missing articles.

**Again,
Continued**

The conference concluded on Saturday night with music and dancing in Vendorville for all of the weary participants. Anxieties and tensions faded as students recieved awards. For perhaps the first time in three days they were able to socialize as high school students rather than ambassadors bearing the weight of the world's problems. "The U.N.", one student comented, "is a nice place to visit, and if it's anything like Meade Heights, I'd like to live there."
