

SGA Holds First Meeting

Budget Recommendations

Presented

The Finance Committee of the SGA presented its budget recommendations for the 1978-79 academic year to the SGA Senate and organizational leaders at the first SGA meeting on Tuesday night, September 26.

The SGA received approximately \$17,000 from University Park this year. An estimate of \$5000 generated income (parking tickets and pinball and vending profits) should bring the total to \$22,000. This figure was used by the Finance Committee as a base for its budget recommendations. It is to be divided between 41 clubs and organizations.

The SGA is holding \$4500 of this money for future use. \$3000 is tagged to be used for potential problems and in the anticipation that new clubs will be chartered. \$1500 is being held for travel expenses for the individual clubs. Clubs will not receive any funding for travel expenses in the beginning of the year. They will have to go to SGA and request this money as needed.

The budget recommendations are as follows.

Black Student Union, \$600; Black Cultural Affairs, \$605; Beta Chi, \$466; Chess Club, \$27; Cheerleaders, \$268;

XGI, \$670; Instit. of Electrical and Electronic Engineers, \$135; Instit. of Trans. Engineers, \$113; Penn. State Education Assoc., \$480; Photo Club, 128; Penn. State Grad. Student Assoc., \$166; Outdoor Club, \$166.

Social Committee, \$2370; WNDR, \$165; Aviation Club, \$166; NOW, \$220; Tarnhelm, \$688; International Affairs Assoc., \$1080; Accounting Club, \$437; Amer. Soc. of Mech. There were no budget requests from MHBORG, Resident Student Council, DTK, Capitoline, or Returning Women.

Clubs and organizations which are unsatisfied with these recommendations will be given the chance to meet again with the Finance Committee and to petition individual Senators.

The budget will be voted upon at the next SGA meeting to be held Tuesday, October 3 in room 216. The time of the meeting has not yet been announced.
