

# What's Happening In Rec/Ath

by Duane Kanagy

Rosters for intramural football are now being accepted at the intramural office in the gym. Completed rosters are to be handed in at the intramural office no later than noon Friday, September 29.

At a briefing for all intramural football teams held on Monday, September 25, Coach Bud Smitley outlined the rules and added a few new ones. One new rule states that a \$10 fee must accompany all formal protests, refundable only if the protest is upheld. The large number of protests received over the past season prompted the new rule.

Coach Smitley also stressed the need for good sportsmanship and greater discretion during the game because of the large number of injuries received during the last football season.

The football season will open Monday, October 2 at 4:30 with two football fields in operation. Each team will play at least ten games in round robin tournament style play.

Pete Faith, captain of the soccer team, has been sidelined for an indefinite amount of time as he sustained a knee injury during practice last Friday. Pete commented that the soccer field had been improperly cared for resulting in a field covered with divits and patches of grass.

Pete plays halfback and fullback and was a vital part of last year's winning season. Pete, who is from New York, had previously played soccer for Delhi Junior College.

The team this year has 16 games scheduled with 12 of them at home. The team has looked good the first few practices, and new coach John Harris is optimistic about the team's success this year.

Returning seniors on this years team are few due to everything from injuries to lack of interest. Fortunately, experienced juniors have come in from the various branch campuses to fill the void. Remember the team plays better when it has the support of the students so get out there and watch a game and find out what it's all about.

### Flag Football

All flag football rosters must be submitted to the Rec/Ath office by 12 noon on Friday, September 29. Rosters may be unlimited. There is a \$10 team fee which must be paid before your first scheduled game. Games will begin Monday, October 2. Schedules will be posted on the wall by the Rec/Ath offices and we will try to have a schedule available for each team. We are still in need of intramural officials. If you are interested, please stop by the office and register to officiate.

I know that there are a lot of students here at Capitol who have an interest in flight and the Aviation Club is here to promote that interest. We have social activities just like other clubs, including a fly-in to Ocean City, N.J. in the spring to enjoy a day at the beach.

Show up at our next meeting—there's absolutely no obligation to join the club. The meeting will be in room E-209 on October 3 at 6 pm.

## Soccer Team Wins

by Pete Faith

The soccer team won its first game this past Tuesday against Philadelphia College of Pharmacy and Science 2-0. Both goals were scored by international students.

The first goal was scored by Emmanuel Orsark in the first half. Emmanuel is originally from Nigeria. The second goal was scored by Larry Venetsky who is from Russia. Goalie Gene Morrisson was credited with the shutout performance.

The standing room only crowd was thoroughly pleased from both the excitement of the game and the party for the players and fans held after the game in the Coffee House.

The team's next game is tonight Thursday, at 7:30 on the lighted field against Schuykill campus. Another good

crowd of devoted fans is expected. Come on out and join the fun.
