MHBOG

Meade Heights Board of Governors met Wednesday, October 11 to complete final preparations for the upcoming Road Rally, and to discuss future events.

The Road Rally will be held this Saturday, October 21 starting at 11 am. Time, gas, and the skill of reading and following directions will be the highlights of the rally. Trophies will be awarded to those who place in certain categories.

Also discussed at our meeting was the upcoming Halloween dance. This dance will be co-sponsored by the Phi Beta Lambda and PSPE on Tuesday, October 31. Booths sponsored by other clubs, music, and talents are planned into the activities.

November 20 will be the date to keep in mind; it's the Traditional Thanksgiving Dinner. Provisions and committees have been set up to get things ready. Keep these dates in mind!

The MHBOG is an open organization that is working together to add a spice of entertainment to the campus. Our membership is open and we welcome anyone. If you're looking for a place to suggest ideas, meet new friends, or just want to get involved in something extra besides homework; give MHBOG a try.

Barb Brewer

BSU

On Thursday, October 26, at 2:00p.m. Dr. Ken Masters will be lecturing on his U.N./Nigerian experience on behalf of the Black Student Union.

This lecture will be the second in a series sponsored by the BSU to run during the fall term on the Black experience. They are scheduled for Tuesdays or Thursdays at 2:00 p.m. in the BCAC W-134.

The first was held on Tuesday, Oct. 17. This was titled "Rediscover Oliver Cox" with Dr. Herbert Hunter. Dr. Hunter's lecture focused on Dr. Oliver Cox, sociologist, work "Caste Class and Race" written in 1948. This work exemplifies Dr. Cox's contribution to the discipline of sociology. "Caste Class and Race" is basically an analogy of the class struggle and capitalism in the 40's. His works espouse Marxist ideology/capitalism but he was opposed to nationalism and pluralism.

On Thurs., November 9, Dr. Mahar will be lecturing and Dr. Clem Gilpin is also scheduled for November.

Penn State NORML

There was a good response last week from several students interested in starting a Capitol Campus branch of the National Organization for the Reform of Marijuana Laws. Many excellent ideas were brought up concerning future activities which would benefit students, faculty, and the local community. Possibilities include: sponsoring guest speakers from state and national organizations, and from medical research institutions; providing legal and medical information through literature and discussion groups; and showing educational films dealing with the facts about marijuana.

Those students involved in the organization will have the opportunity to attend state and national NORML conferences, support activities in Washington D.C. and throughout Pennsylvania, and to take an active part in communicating with congressmen and senators.

The most immediate concern is for Capitol Campus Organization for the Reform of Marijuana Laws (CCORML) to become a chartered organization of the University. This means having a faculty advisor, drawing up a budget, electing officers, and meeting the approval of the University and the SGA. This may sound like a lot of work, and it will be, but the results will be well worth the effort.

Stop by at our meetings every Thursday in the Middle Earth Coffee House, 946 Kirtland Ave. at 7 pm. We are open to any suggestions and new ideas you may have.

Accounting Club

Accounting Club will have a kegger next Tuesday night 9:00 to 2:00. The entertainment will be provided by Smoke City, a local five piece band. Admission price will be \$2.50.

SAE

On Sunday, October 8, the Philadelphia Chapter of the Society of Automotive Engineers held "student's day at the races" at Poconos International Raceway. The days activities included a pit pass, a tour of the racetrack and a four hour endurance race. Fourteen student members from Capitol were in attendance.

The next meeting will be held on Monday, October 23 at 7 pm in the Engineering Lab Building.
