

What's Happening In Rec/Ath

Season Ends

Golden Eagles Hockey

The Golden Eagles Hockey team (formerly the East Shore Blues) will be 6-0 after Tuesday night's game with the Firebirds. The team, coached by Dr. Richard Ammon, is represented by a number of Capitol Campus students. The goalies, Daryl Garis and John Yorty, both C.C. students, have allowed only 8 goals in the first 5 games for a 1.6 goals against average. Center Kevin O'Dare, already has a hat trick (3 goals in one game) to his credit. He possesses a quick back-hand shot. Wes Ross is a hard hitting winger and defenseman. In one game he simply overpowered the goalie on a break away. He possesses one of the hardest slap shots on the team. Mark "Airhead" Hendrixon

would probably be the most outstanding player on the team if he could ever make the games! (He's one for five-making games, that is!) Last year he scored over 20 goals as the team went 14-7-1. This time last year, the team was merely 3-2.

The Capitol Campus Soccer team ended its season last Tuesday night with a 5-1 win over Northeast Christian Jr. College. The teams final record was 4 wins, 10 losses and 2 ties. This was a disappointing finish considering the team won 3 of its first 5 games this year. Plagued by injuries, and lack of experienced players on campus,

the team was forced to play many games with less than the required 11 players. The team will resume practicing one night a week during the Winter Term in the gym. Contact the Athletic Office during the Winter Term for details. Finally many thanks to coach John Harris for doing the best he could with what he had.
