CCORML

This is your chance to make the decriminalization of marijuana laws a reality. Within a week from November 13, the Pennsylvania State Senate will be voting on Senate Bill #1425 which, if passed, will make the possession of under 30 grams of marijuana a summary offense with a fine of up to \$100, and will move PCP up the schedule of drugs from schedule three to schedule two in the House Judiciary Committee.

The Capitol Campus Organization for the Reform of Marijuana Laws, in affiliation with the National Organization for the Reform of Marijuana Laws, has taken the stance that PCP is a dangerous drug and that people should be made aware of the danger of PCP. This was clearly a political decision but we are going to support this bill because we want to see decriminalization happen in Pennsylvania this Fall.

You can help pass Senate Bill #1425 by taking a few minutes to write to your Representative and to several of the Harrisburg Representatives to let them know your opinions on the issue of decriminalization of marijuana.

Sample letters are available from CCORML for those of you who need an idea as to what to write. Legislators in the Harrisburg area include: Stephen R. Reed; Jeffery Piccola; Joseph

C. Manmiller; Rudolph Dininni; Harold F. Mowery; Fred C. Noye; John Scheaffer; and Eugene Geesy.

Send your letters to: The Honorable (Representative), House Post Office, Main Capitol, Harrisburg, Pa. 17102. NORML, CCORML, & PORML would greatly appreciate your support. Be sure to spread the word, after all we do have, contrary to public belief, a say in our State government.

William R. Douglas

DTK

"Lincoln" will be the topic presented by faculty member George Wolf at DTK's second in a series of faculty-student forums on Thurs. Nov. 16, at 3 p.m., in the Gallery Lounge. All are welcome. Refreshments will be served.

Students or faculty interested in presenting papers or participating in panel discussions should leave a note in the DTK mailbox in the SGA office.

MHBOG

The Meade Heights Board of Governors held its Fall term Road Rally on Saturday, October 21.

Starting at 11 am and ending just after 7 pm, the Road Rally proved to be quite interesting and most challenging. The cars were scheduled at three minute intervals. The

driver and navigator both were given a set of instructions when their proper time was called.

Finding the checkpoints was the most arduous of all the tasks. There were two checkpoints and the finish line.

Forty two cars started the rally and thirty four finished. Eight trophies were awarded to the first, second, third, and last places at the Accounting Keggar held on October 24.

First place were Charles Hummer, driver and Bill Tedesco, navigator; second place were Gayle Greenwald, driver, and Brenda Pfeffley, navigator; third place were Rich Aiello, driver and Debbie Casey, navigator; and last place were Patty Bloom, driver, and Sue Stapleton, navigator.

The MHBOG is grateful for the turnout and the interest expressed by the participants in the Fall term Road Rally.

Another road Rally will be held in the Spring term.

Michael V. Sopata

The Meade Heights Board of Governors will sponsor a backgammon tournament during the week of Nov. 13-17. The tournament will be a best of seven series with winner advancing to next round. Games will be played at the coffeehouse or wherever the opponents can arrange to play. There is a fee of .50 cents to enter and you can enter by signing up at the SGA office or coffeehouse. Prizes will be awarded for 1st, 2nd, and 3rd place. For further details contact Pete Faith, Vito Valvano, or Pat Murphy.

IEEE

On Tuesday, November 14, the IEEE will hold a meeting in the Student Center at 7:30 pm. The guest speaker will be Daniel Krehling from The Pennsylvania Power and Light Company on the topic of residential solar energy. Also, the election of the vice-chairman will be held at the meeting. Any junior interested in running for vice-chairman, please contact Russel Hock at 944-6767.

Tarnhelm

The editors of Tarnhelm are now accepting contributions for the 1979 edition of Tarnhelm.

All students and faculty of Capitol Campus are encouraged to submit original poetry, short stories, photographs, and artwork.

The blue Tarnhelm submissions box has been placed in the Humanities office, W360. All material (except photographs and artwork) submitted will become the property of Tarnhelm, contributors are therefore urged to keep a copy of all material submitted.

Tarnhelm will be published Spring term, 1979, and distributed free of charge to students and faculty of Capitol Campus on a first-come-first-served basis.

ASME

On Tuesday, October 31, American Society for Mechanical Engineers members viewed an enlightening film concerning contemporary nuclear safety. The gist of "Incident at Brown's Ferry" suggests there is no feasible way of determining safety probability in nuclear plants. The film also hints that the industry should be slowed or even shut down until the risk of nuclear catastrophe has been significantly reduced.

On Tuesday, November 14, ASME will host Professor Donald Miller at the Gallery Lounge. Professor Miller will

discuss his past work experience, including his work that led to the patent of a runway friction measuring device. The meeting is scheduled for 4:30. All are welcome.

BSU

On November 9th, at 2:00 P.M. in the B.C.A.C. Lounge (W-132), Dr. William Mahar will lecture on "Black and White: Views of the Black Heritage in American Music."

Also, November 14, Prof. Clem Gilpin will lecture on South Rhodesia. This will be held in the B.C.A.C. Lounge (W-132) at 2:00 P.M.

Classifieds

Classified ads are published as a free service to the Capitol Campus community. Other advertisers will be charged \$1.00 per ad. Submit ads to staff members at the READER office, W-129; or call 944-4970. Deadline is Tuesday at 5 pm.
