The campus chapter of the Institute of Transportation Engineers, at the request of Dr. South, is now completing a study of the traffic on campus.

The members of ITE, all students, spent over 85 hours collecting data for the report. Aspects of the report include speed and time delay studies and hourly traffic volumes.

ITE will present the results to Dr. South on November 29.

Tired of sitting in a long line of cars when you try to leave the parking lot after class? Do you wonder when someone will make it easier to get off campus? Well, you're not alone.

This Christmas vacation:

- Hang around the house.
- Fight crowds on ski slopes.
- Go to Europe.

\$260 roundtrip. Reserved seats. No standing in line.

Take advantage of National Airlines' new "inter-National" fare from New York to Amsterdam this vacation. This is not a stand-by fare. It's on a regularly scheduled National Airlines nonstop transatlantic flight. It's a guaranteed reserved roundtrip seat with inflight meal service. It's on a big, beautiful National wide-cabin DC-10 jet. So why hang around the house when you can hang around the mellow "brown cafes"? Why fight crowds on the ski slopes when you can fight your way into the Paradiso or Voom, Voom, two of the wildest discos east of Studio 54? Come with us to Amsterdam. It's one of the most student-oriented cities in Europe; it's where English is everybody's second language. National's "inter-National" fare is good on a substantial, but limited, number of seats on every National New York to Amsterdam flight starting December 13. Just pay for your tickets when you make your reservations. (There is a \$3 federal departure tax, and \$50 is non-refundable if you change or cancel reservations. Fare subject to change without notice.) See your Travel Agent now or call us at 1-800-327-2306.
