STUDENT COURT/ STUDENT COURT SCREENING COMMITTEE

Attention students who want to be involved.

The Student Court and The Student Court Screening Committee are seeking members who desire to assist in the smooth functioning of Student Government, and enhance Student-Administration cooperation. Time is not a major constraint to fulfill the duties of these offices; however individual responsibility and self discipline are required.

A special note to commuter students. Commuters account for a sizable percentage of the student body, and as such are faced with unique situations, and problems. If representation in the past for these situations has seemed inadequate, seriously consider serving with the Student Court.

For applications and details contact Keith Yundt, Church Hall, 136, Joe Horvath, Church Hall 129, or leave a memo in the mailbox in the SGA office, room W-110.

XGI NEWS

Greetings:

For the next scholastic year this voice will be bringing you the wit, wisdom and updates from the Chi Gamma Iota Service Fraternity. We remain better known on campus as the XGI's. And to fellow veterans, I'm sure the introduction has stirred many a pang of sorrow. The XGI's, operating from W-114, are a service and social organization open to all members of the student body. Space does not allow for a detailed explanation of all our functions and activities, so why not stop by W-114 and get the information first hand? Our members are friendly and hardly ever over zealous.

By the time of publication of this little introduction our first meeting will have been held.

Stealing a phone call isn't a game.

Most students play by the rules when placing a long distance call. They take advantage of bargain rates and make their calls during the discount periods. If you're not sure when you can call at discount rates, check your phone book.

A few students think it's O.K. to break the rules by stealing their telephone calls. They're not beating the system, they're taking advantage of all of us, because it drives up the cost of providing telephone service.

Students who break the rules also run the risk of paying a large fine. Spending time in jail. And getting themselves a permanent police record.

It's just not worth it!
