Delta Tau Kappa

Delta Tau Kappa is planning its first academic forum of the year on October the 11th when Dr. Nancy Tischler will present a discussion of Dorothy Sayers' views on "Women, Work, and Education." Dr. Tischler will hold her discussion at 3:00 in the Gallery Lounge.

There are three other forums on Delta Tau Kappa's calendar for the fall term. Dr. Bresler will help us to better understand exactly what SALT is and how it will affect us, and Dr. Friedrich will discuss the use of statistics and the various methods of research that are available for all of us to use, either as students or in our chosen careers.

Delta Tau Kappa started last year as one of the smallest organizations on campus. As of fall term 1979 the Honor Society is one of the largest organizations with well over sixty members. Delta Tau Kappa not only organizes academic forum for the general student body but we also have a formal dinner and picnic each year for members of our organization.

The membership of Delta Tau Kappa is restricted to those Social Science majors who have a 3.0 cumulative grade point average. All of those who may be interested in joining Delta Tau Kappa can obtain applications after the October 11th forum.

XGI's

Well here we are in October; behind all that confusion of September and full steam ahead. At least this attitude is true of the XGIs. Our first meeting of the year saw three new members accepted into the Fraternity. These lucky people were Curtis Miller, Jim Street, and John Brown. If you know these (?), stop and congratulate them. We also had five prospective members attend their first meeting; from their evening's enjoyment, return attendance is assured.

The Fraternity would like to thank Dave Doaty, Joe Velas, Ginger Vestich, Frank Casini, and Vince Drobniak for the excellent and efficient processing of VA data during registration. After fighting

the hassle and headaches of registration, the smiling faces of these individuals were indeed a breath of fresh air.

The next meeting of Chi Gamma Iota is scheduled for Tuesday, October 9 at 9 p.m. in the Middletown American Legion hall. Membership is open to all students at Capitol. So if the first two weeks have not revealed that "spice of life," why not plan to attend our next meeting? If interested, drop by the XGI Lounge in w-114. Directions, transportation, and conversation are available.

Ski Club

The first organizational meeting of the Penn State Ski Club at Capitol Campus will be held on Tues., Oct. 9, at 7 p.m. in the Gallery Lounge.

This is a very important meeting and anyone who thinks he/she will be interested in skiing, or learning to ski this year, should attend.

You need not own their own equipment nor do you need any previous experience. Weekly trips to Roundtop are being planned at an approximate cost of \$11 for all necessary equipment, lift tickets and lessons.

Attendance is important since officers will be elected and our budget, etc., will be voted on.

Come and see what getting psyched is all about!

Hillel to organize on Campus Campus

A Hillel Chapter for Capitol Campus is being organized. Its main purpose will be promoting Jewish communal activities for students and their families, invite speakers on topics of Jewish interest, initiate Jewish communal worship, etc.

Fifteen signatures are

needed for a charter. If you are interested in joining, or in receiving additional information, please contact the Meltzers (Ira or Dafna) at 944-1245, 840A Jones Street, Meade Heights, Capitol Campus, or you can leave your name and phone with Mr.

Beck at Room w117 and we will contact you.
