

# Clubbin' around

## MEAD E HEIGHTS BOARD OF GOVERNORS

Ever been on a magical mystery tour? Well that's what the Saturday, Oct. 20, MHBOG Road Rally is. Given a set of clues you will tour the countryside, trying to find various checkpoints. After solving the first clue, you can continue on until you have solved the complete mystery, and you could possibly be this Fall's 1979 Road Rally Champion.

All you need for this adventure is a car and a navigator to assist you. If you don't have either, that's no problem. Just sign up and something can be arranged. If gas is a problem, not to worry; the course has been shortened to accommodate the gas shortage. If the Road Rally is not enough, there's a tailgate party afterwards with refreshments and a live band.

The first car will leave the main building at 11 a.m. The tailgate party will begin as cars return to Jednota Grove. If you can't make the rally, just come to the party.

Prices are \$3.50 each for the rally and party. If you only attend the rally it's \$1.50 each. The party alone will be \$3.00 each. Sign-ups will be at the round table, 3rd to 5th periods, October 11th to 19th. So sign up early and we'll see you at the starting line Saturday.

### XGI's

Chi Gamma Iota Fraternity held its second meeting of the Fall term on October 9. The members were pleased that Provost Gross accepted an invitation to attend the meeting, and would welcome another visit any time. Bill Dugan and John Travers were accepted into the Fraternity's fellowship on Tuesday (if you get a chance, have John recite the latest football news.) Our next meeting is scheduled for Tuesday, October 23, at 9 p.m. Membership is open to all students at Capitol. If interested, stop by W-114.

The Fraternity would like to thank all who participated in our car wash on Wednesday, October 17. If your ride still looks like it was assailed by renegade sparrows, don't blame us!

**ATTENTION VETS:** Congress is finally introducing some positive legislation for increased benefits. The Senate has a bill to extend educational benefits for another 10 years and health care will be extended to cover effects of the defoliant Agent Orange. The House has introduced plans to revamp VA's vocational rehabilitation program. This House bill also seeks to increase VA emergency loans from \$200 to \$400. If these measures are to be passed, letters voicing your support are necessary. For further details see Dave Doaty in the Veterans Affairs office.

### IAA

As a part of the International Arts Festival of the IAA, our association has chosen to compile a cookbook of international recipes.

We are asking anyone who has a recipe and would like to share it with the other students, staff, and faculty, to drop it off in the IAA mailbox in the SGA room W-110, or give it to Mike Sopata, Keith Yundt, or Clem Gilpin. Please include your name on the recipe.

Upon completion of the cookbook, copies will be available for sale.

### Calendar of Events-Fall Term

October 25-28

Model United Nations Security Council, Georgetown University.

November 2

International Dinner, 7:00 p.m., Student Center, covered dish or purchase a ticket for \$3.00

### Tentative Activities

† preparation of international cookbook

† organization of cooking demonstrations

† International films (watch for signs and posters for time and date)

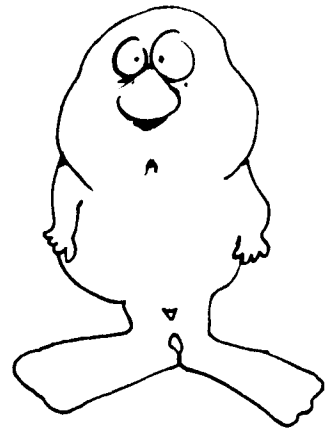

### IEEE MEETING:

Oct. 29 7:30 Student Center

Nov. 7 Field trip to Bureau of Standards

### Ski Club

The Capitol Campus Ski Club will be holding its second meeting of the season this coming Tuesday, October 23, at 6:30 p.m. in the Gallery Lounge. The first meeting was quite successful, with a lot of interest expressed in planning trips for the winter. A trip to the Catskills is tentatively being planned for the second week in December. Anyone interested in that trip should attend this coming meeting. Don't forget about the \$5 membership fee which will be collected this Tuesday. If you couldn't make the first meeting, please try to get to this one and let us know what you'd like to do this winter.

## Hillel on campus

A brown-bag lunch will be held Wednesday, October 24, at 11:00 a.m. at the Counseling Center, W-117. At this organizational meeting, we will discuss future activities, elect officers, etc. If you have any ideas or wishes about what Hillel should do for you and for the Jewish student population of Capitol Campus, this is your chance to be heard. The campus staff is welcome.

Hillel will also be sponsoring a lecture by Rabbi Jeffrey A. Wohlberg of Harrisburg's

Temple Beth El, on "Andrew Young, the United States and the State of Israel." This lecture will be held on Monday, October 29, at 4 p.m. in the Gallery Lounge. All students and staff are cordially invited. Refreshments will be served.

The Charter is still lacking signatures. Our deadline is October 22. Please drop by Mr. Ed Beck's office at W-117 to sign the charter, so that we can really get going.

We look forward to seeing you at our meetings. Shalom.

## Dorm News

### RSC election results

Results of the Resident Student Council election held Oct. 4 are as follows: President, Jeff Griffin; Vice President, Andy Klinger; Secretary, Pamela Palik; and Treasurer, Jay Redman. Floor Representatives are: first floor Wrisberg, Dennis Coleman; second floor Wrisberg, Sue Ringenary; third floor Wrisberg, William Becker and Mark Dwiér; first floor Church, Dave Austin; second floor Church, Tom

Miller.

There will be a contest to decorate the dorm floor lounges for Halloween. The winning floor will receive \$25. The winner will be announced at the MHBOG Halloween party.

Dorm residents will also have a dress-up-for-Halloween contest and Halloween dinner in the dining hall. \$10, \$6, and \$3 prizes will be awarded for the best costume and \$1 for the worst.

# Stealing a phone call isn't a game.

Most students play by the rules when placing a long distance call. They take advantage of bargain rates and make their calls during the discount periods. If you're not sure when you can call at discount rates, check your phone book.

A few students think it's O.K. to break the rules by stealing their telephone calls. They're not beating the system, they're taking advantage of all of us, because it drives up the cost of providing telephone service.

Students who break the rules also run the risk of paying a large fine. Spending time in jail. And getting themselves a permanent police record.

It's just not worth it!
