### WOMEN'S FORUM

An all day conference entitled "Global Women's Forum" is being offered at Penn State Capitol Campus on June 13.

The program is designed for women throughout Pennsylvania, and will provide participants with the opportunity to talk with others with similar interests and share concerns, lifestyles, and personal priorities.

The conference is sponsored by the Federally Employed Women, The Pennsylvania Commission for Women, Probe, and Returning Women. Dr. Kathryn Towns is coordinating the program.

### XGINEWS

Hey, all you XGIs. Since most of you haven't been to the meetings lately, this is the weekend update. Thanks to the people who helped with the book-moving this past Saturday. We did a good job from what I understand and in good time.

Don't forget our Spring Picnic on May 31 at Jednota. Time is around noon, food is like the Christmas Party -- bring a dish -- and please do bring enough for everyone. Soft drinks will be provided, as well as other beverages.

June 3 is the date set for the blood drive so be ready to get stabbed in the arm. That means no booze before that date. Thanks for the help! See you next issue.
