student patrol openings

The Campus Department of Police Services is now accepting applications from students, especially juniors, for positions on the Student Patrol. The Student Patrol offers valuable work experience for students interested in a career in law enforcement.

Students selected for these positions can work up to 20 hours a week. Work schedules are tailored for the individual.

Employment applications and additional information can be obtained at the Police Services Office or by calling the office at 948-6232.

Mike Sulkosky, karate instructor, will teach a rape self-defense course for women beginning the second week of classes in the fall term. The dates and times when the course will be taught will depend on the schedules of participants. Classes will be held in the Multi-Purpose Building.

Anyone interested should contact: Ruthe Arehart in the Rec/Athletics Office - 948-6266, or Pat Murphy in the Coffee House, 948-6269 by Monday, September 22, 1980.

MSU NEWS

The Married Student Union of Capitol Campus would like to welcome all students to the campus -- both returning students and new students. We cordially invite all married and single students to attend our fall orientation meeting. This meeting will be held on Tuesday, September 16, at 7:00 p.m. in the Gallery Lounge.

Married Student Union is a social organization. Its primary purpose is to assist students in meeting other people on the campus and in becoming involved in club activities. Past activities include intramural sports, picnics, trips to horse races and Reading outlet stores, card games, and holiday parties.

We look forward to meeting you on the 16th.

Edgar Wright
Vice-President, MSU

HILLEL NEWS

The Hillel members from Capitol Campus will drive to Dickinson College in Carlisle on Saturday, September 20 to observe Yom Kippur ceremonies. All students wishing to attend call Jackie at 944-4765 or Rusty at 944-0893.

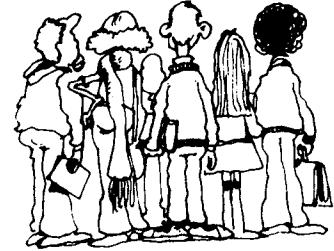

Social Committee: Looking For a Few Good People

Are you ambitious, have plenty of energy, and have a lot of ideas for student activities? Then you may be the person we're looking for. The Social Committee, a committee of Student Government, is looking for people who are interested in planning, organizing, and carrying out social events for the 1980-81 school year.

The Social Committee, which was established in June 1980, is a newly formed committee which will run activities sponsored by the Student Government. Since this is a newly formed committee, all students will have the opportunity to work on all phases of social activities and possibly become in charge of certain events. Activities already discussed are weekly movies, weekly entertainment in Vendorville, and numerous concerts.

Anyone interested should come to the Student Government booth at the Organizational Fair or leave your name and phone number in the Student Activities Office. Opportunities are endless so all are welcome.

Letters to The Editor

Editor:

The Faculty Council is looking forward to student participation in our committee work during the new academic year.

The constitution of the Faculty Organization provides for student representatives on each of our eleven committees.

It has been my experience that students interacting with faculty in conducting the work of the committees greatly enhances the work of faculty governance. It is also a good way for faculty and students to get to know each other better.

We look forward to working with students during the new year.

Sincerely,
Ken Masters, Chairman
Faculty Council

I would like to take this opportunity to welcome all new students to Capitol Campus. You're gonna like it here. It's nice to have you returning scholars back also.

Allow me to introduce myself to all the rookies and others who may not have heard of me. My name is Leonard Wumke. I was a candidate for President in last spring's SGA elections but was defeated by a most worthy adversary, Ms. Rosanne Rosenberger.

Since that time, my campaign manager (a.k.a. Julio) has graduated. He is rumored to have a gushy state job with the Department of Revenue. And if anyone should need to see him, he still frequents Thirsty's Tavern. But I Leonard Wumke, am still roaming the halls and streets of C.C. with pen in hand and a watchful eye on students, faculty, and staff.

I would like to mention that, since my narrow loss to Rosanne last spring,

two out of three of my platform objectives have been carried out. The movement to change the name of Capitol has been snuffed out and ankle stones have been eliminated on the pathway from the dorms to the main building. At least someone thought my platform had merit.

One other noteworthy accomplishment has occurred since spring elections: An honor roll has been established at Capitol Campus. I know the President of SGA had at least some part in these negotiations, so I must give credit where credit is due. Way to go, Rosanne! Keep up the good work -- only six more campaign issues to resolve!

I would also like to congratulate the editor of the C.C. Reader on doing a bang-up job during his first two terms in office. Way to go, Harry! I hope he will continue to produce a high-quality tabloid this year. Of course, his job will be made more difficult by the loss due to graduation of his dedicated sports editor. But I trust Mr. Moyer will find a suitable replacement.

That's all for now, gang! I will continue to deliver these commentaries to the Reader as long as I have time and my apathetic tendencies don't surface. Feedback from readers would be helpful in the latter respect. Anyone who knows me will tell you I just love attention and that I go to great lengths to please when I receive it. Bye!

Sincerely,

Leonard Wumke

Why can't the campus get a gate put in at the Eagle Heights area so a person could safely walk to and from Hardees, the Giant, White Cross, and the bank without risking his neck?
