## Duch's Corner

Well, the Steelers and the Eagles both came up winners again. Looks like we may have a Pennsylvania Super Bowl!

I know it's early yet and anything can happen, but even amateurs are allowed to make predictions -- like the Royals over the Dodgers in six games in the World Series. "Shut up, Spinella, the Yankees don't have a prayer."

How about campus/varsity sports?

The soccer team looks good this year. Returning are Phil Morton, Bobby Heitzman, Warren Jones, Eddie Higgins, Dave Davies, Robin Haberle, John Ostaziewski, and myself. We still need players though, so anyone wanting to join -- just show up for practice.

There has supposedly been some recruiting for the basketball team this year. In addition, Jack Wilson, Ron Kuzo, Bernie Walke, and Bob Hassel are returning to the boards.

Hockey returnees are Sam Costa, Bill Dey, and Jim Crowley. Last year's hockey team led their division but lost the championship game. We are looking forward to a better job this year even though last season's record will be tough to match!

Intramural sports are also being reactivated. Girls' volleyball teams are being organized, so all you girls get down to the gym and try out. And all you guys -- get a football team together and get ready for some good fun. Intramurals are a big thing here at Capitol, so bop on down to the gym and grab a roster.

And by the way, if you would like to referee intramurals, go see Ruth or Bud in the Rec./Ath. Office in the gym. You can make a couple of extra bucks, and you'll be doing intramural sports at Capitol a big favor!
