## Calendar of Events

### CC READER EXPANDS CALENDAR OF EVENTS

A new feature in the CC READER this term is an expanded Calendar of Events. We will include not only on-campus events (such as cultural programs, art exhibits, club events and meetings) but also off-campus events. We have requested information from a number of organizations in the Harrisburg--Middletown area. Bike trips, hikes, plays, films, concerts, and exhibits will be included in the calendar. If you have any suggestions regarding additional organizations to contact or if you want more information about a particular event, check at the CC READER office, W-129.
