Campus Digest News Service

ARIES: (March 21 to April 19)--Especially now, "don't put off 'til tomorrow what you can do today." Accent is on your appearance, so get a new look--change your hairstyle, etc. Use care and caution in finances. Read the fine print on contracts.

TAURUS: (April 20 to May 20)--Keep concentrating on your goals--they are almost within reach. Meditate on your shortcomings and resolve to change. You could be in the spotlight and your charm can be helpful in smoothing over misunderstandings.

GEMINI: (May 21 to June 20)--Other people could be in the driver's seat now, so exercise patience over things you can't control. Concentrate on your job performance and accept additional responsibility. Go over the budget with an eye to uncovering errors.

CANCER: (June 21 to July 22)--Catch up on detail work so the decks are cleared for new activities coming later. Become more active socially--get out and meet people of influence and prominence. You have a glow and charisma, so spread your light around.

LEO: (July 23 to Aug. 22)--Good time to begin self-improvement study courses. Career arena is accented so work out any problems there. Seek advice from those who have helped before and re-work past projects with a touch of originality.

VIRGO: (Aug. 23 to Sept. 22)--Tackle a current project with optimism and use some of the techniques you have employed in the past. Continue to adhere to a tight budget--finances will not ease just yet. Review the past with nostalgia but not with regret.

LIBRA: (Sept. 23 to Oct. 22)--Get better acquainted with someone who is attracted to you--respond immediately. In the home and on the job concentrate on maintenance and upkeep. Clean and repair--finish up projects and meet deadlines. Be cooperative.

SCORPIO: (Oct. 23 to Nov. 21)--Trust your intuition. Ideas coming to you now could have the stroke of genius and mean increased finances later on. Use your inventiveness and creativity to help others as well as yourself.

SAGITTARIUS: (Nov. 22 to Dec. 21)--A friend or loved one could be helpful in providing useful information that helps you on your job. Exchange philosophical views and ideas freely. Read, study and go to interesting lectures. Accept an invitation to give a talk yourself.

CAPRICORN: (Dec. 22 to Jan. 19)--Try not to give in to frustrations and you meet delays and restrictions--it's temporary. Routines are steady on the home front in spite of some confusion there. Get your mind off your problems by socializing with energetic people.

AQUARIUS: (Jan. 20 to Feb. 18)--Curb impatience and restlessness--take no impulsive or foolish risks. A situation of long standing could now come to a head. Keep control of your emotion and concentrate on mental and intellectual challenges instead.

PISCES: (Feb. 19 to March 20)--Avoid fly-by-night, get-rich-quick schemes and stick with the long-range, stable projects instead. Someone in an authoritative position could add to your previous gains. You could benefit through inheritance, taxes or loans.
