ACCOUNTING CLUB NEWS

The Accounting Club held its annual intern program in the Gallery Lounge on April 23. Three Capitol Campus students who participated in the winter internship program presented their experiences to the group. The consensus of the three speakers is that the intern program is a great way to get accounting experience and to see if certified public accounting is the career one really wants. Any accounting majors interested in the 1981-82 intern program should contact Mr. Charles Kern, E-355, phone 948-6149 for information.

On May 11, the Accounting Club members of Mr. Phillip Buchanan's seminar class will attend the FASB discussion hearings in New York City.

STUDENTS AGLOW

Everyone is invited to experience a fuller expression of life this weekend as Students Aglow, a Christian fellowship on Capitol Campus, sponsors Lamb Fellowship of University Park. Activities will include:

- a coffeehouse on Friday and Saturday, the 15th and 16th, from 8-12 p.m. at the Student Center, with featured musical group "Shekinah."
- a praise and worship service on Sunday will be held from 10 a.m. to 1 p.m.

Next week the film "Ben Hur" will be shown at the Student Center at no charge.

NISSLEY WINERY TOUR

Phi Beta Lambda is sponsoring a tour of the Nissley Winery in Bainbridge on Wednesday, May 20. The tour will begin at noon. Wine tastings follow the tour, and wine may be bought on the premises.

The Nissley Winery features true Pennsylvania wines, since only Pennsylvania-grown grapes are used in the wine. Naughty Marietta, Seyval Blanc, and Colonnade are all Nissley wines. Colonnade was a prize-winning wine in 1978 and 1979.

Interested students should sign up for the tour in the PBL office (W110) or simply drop a piece of paper with your name on it in the PBL mailbox. We will be leaving from the Capitol Campus back parking lot at 11:30 a.m. on May 20.

MAY IS NATIONAL HIGH BLOOD PRESSURE MONTH

Make sure your blood pressure is normal. Stop in the Health Services for a free check.

High blood pressure can be controlled. Get regular check-ups and follow your doctor's advice. Take medication exactly as directed. Never skip or miss any dose because you feel good.
