

There Was A

By Gary Pellett

This year's Autumn Buzz Weekend was definitely the best social event we've had so far! Not only was the organization good, but each event was very popular. I developed a good 60-hour buzz myself, but I'll try to re-cap the highlights.

The Friday night concert featuring "Wendy and the Eyes" was packed. Anyone who had not heard this group before now knows how well our M.H.B.O.G. can pick a band! There were

a lot of new people there, and quite a few old friends from last year showed up, too. Best of all, the refreshments never "kicked." My only lament was that the crowd around the band was so thick that I had trouble watching Wendy wiggle.

Saturday, the Photo Club had a volleyball tournament for the more competitively inclined. Congratulations go to the "Zoo" on Third Floor Wrisberg, for a convincing first-place effort. The Resident Student Council followed with their second annual "Oktoberfest," complete with plenty of refreshments and a live polka band. We all got dancing

lessons, and then it was toe-mashing time. The only dissatisfied customer was the guy who kept requesting "Free Bird" all night.

Sunday's Road Rallye was a perplexing race. Some people got so confused that they started following each other, without realizing that the people they were following were also lost. Our sympathies go out to the motel owner who didn't know why everyone kept running in to ask him his rates. All right, Sandy Schoeneman and Bob Quinn, for a near-perfect win! A tailgate party with folk-singer Jack Rivers mellowed out the

weekend, and since the crowd was smaller, I believe that the M.H.B.O.G. did a good job buzzing us out.

So, thanks again to the M.H.B.O.G., XGI's, Accounting Club, Photo Club, R.S.C., and the Student Affairs Office. I hope I didn't leave anyone out. I heard that our student leaders were inspired by the turnout, and let's hope that they can come up with something even better in the future!

In any case, when you hear of their next activity, DON'T GO HOME! Bring that boyfriend or girlfriend here and don't miss it!

Dear Capitol Campus Community:

Well, the first annual "Autumn Buzz" weekend is over, or so we thought. For we cannot forget the myriad of "thank yous" that must be said.

We wish to thank all the faculty and staff who helped make this weekend a success. Thank you!

We would also like to thank all the clubs and organizations that became involved and helped put together a "Buzz" of a time.

But most of all, we wish to thank you, the Student Body of Penn State/Capitol Campus for supporting all of our efforts. Thanks!

We are proud to say that we have started this year's majorevents without a hitch. Let's carry this good feeling through to June 19
