Financial Aid Update

Aid Applications Due By February 15, 1982

Don't miss out on 1982-83 Financial Aid through Penn State. The preferred filing date for programs for the next academic year is **February 15, 1982**. The Penn State University Financial Aid application must be filed by this date in order for you to be considered for all University administered financial aid programs. This includes the College Work/Study program. We cannot stress enough how **important** it is to file all necessary applications by the due dates. Detailed information can be obtained from the Admissions/Financial Aid Office, 214 Multi-Purpose Building. Remember, your application must be filed by **February 15, 1982**.

To assist you in your planning please refer to the following list. File the PSU Financial Aid application if you wish to be considered for:

- (1) College Work/Study part-time jobs for Fall 1982, Winter 1983, and Spring 1983 (or Summer 1982).
- (2) Full-time Summer Work/Study jobs in non-profit agencies throughout Pennsylvania (or on Penn State campuses).
- (3) SEOG grants and National Direct Student Loans for the academic year 1982-83 (or Summer 1982).
- (4) University Academic Scholarships (based on grade point average and financial need).
- (5) Capitol Campus' own Kunkle Scholarships, 1982-83.

All of these programs recommend filing of the Application for Pennsylvania State Grant and Federal Student Aid (FAF form for out-of-state students) by February 15, 1982.

If you have a cumulative grade-point average above 3.0 at Capitol, be sure to apply now for the Kunkle Scholarships. Each Spring nearly \$6000 is awarded to about twenty outstanding Capitol students. Selection is based on cumulative grade-point average, financial need, leadership skills, evidence of professional promise, and campus and community activities. Don't miss out because of failure to apply. Applications for the Kunkle Scholarship are available in the Capitol Campus Financial Aid Office.

February 15, 1982 is also the deadline for applications for Graduate Student Work/Study employment (similar to a graduate assistantship).

Contact Bob Thomas, Financial Aid Counselor, in the Admissions Office (Multi-Purpose Building) for full information on these programs and for the necessary forms. Thank you.
