His scoring average was over 1000 points from 1979 through 1981.

On the Varsity side, Charlie Stokes is returning this year. Stokes says that this is a big event for him. "We can go out and have a good time without hurting anyone."

Wilson agrees. "It gives me a chance to contribute to the Capitol Campus Basketball Program, and help get people involved. After the game it becomes a reunion and I can find out what everyone is doing. I also think of this as a scrimmage game for the Varsity team."

There is also a serious side to the competition.

"This is our first game," says Stokes, "and with a good team and a good game our fans will follow."

This year's participants say there's a fighting fever.

"With the help of the '79-'81 squad, we're going to show them how basketball should be played," says Wilson. "We have to show everyone that we're not going to lay down and play dead....Take it from someone who knows."

"The Alumni - Varsity game is in its third year at Capitol Campus," says Bud Smitley,

the Athletic Director. "It's very low keyed, no one really cares who wins or loses. The Alumni -

Varsity game is the opportunity to bring students back on campus to renew friendships."
