

## Briefs

Joseph F. Douglas of York, associate professor of engineering design technology at Capitol Campus, recently was elected vice chairman of Region 2 of the Institute of Electrical and Electronics Engineers, Inc. (IEEE), the largest professional engineering society in the world. Region 2 is the third largest subdivision of the organization, and includes 25,000 members from parts of seven Eastern states.

Information bulletins for the Graduate Management Admission Test (GMAT), the Graduate Record Exam (GRE), and the Law School Admission Test (LSAT) which include registration materials are available in the Counseling Center, W-117.

The GMAT test will be given Jan. 29—registration deadline is Dec. 27 and the late registration deadline is Jan. 4.

The GRE test date is scheduled for Feb. 5. Registration deadline is Dec. 30, late registration deadline is Jan. 11.

On Feb. 19, the LSAT test will be given. Deadline for registration for this test is Jan. 20—late registration is Jan. 27.

The Student Government Association is looking into the feasibility of a transportation program, for on-campus resident students.

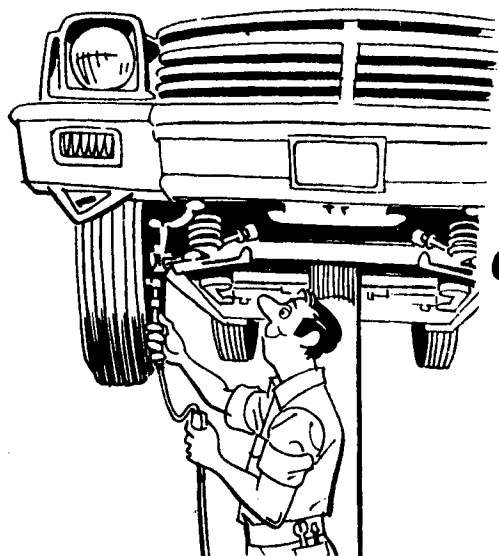

The program addresses two areas.

The first area is safety concern for students attending night classes and them having to walk to and from the residential areas.

The second area is coordinating a voluntary transportation program among students with access to a motor vehicle and students who would like a ride to school.

The HACC Jazz-Rock Ensemble, under the direction of John Byers, will present its eighth annual Christmas concert this Wednesday at 8 p.m. in the Rose Herman Lehrman Arts Center Auditorium.

The program will feature vocal solos by Julie Jeselnick and will consist of Christmas songs, jazz-rock tunes, and other selections of a standard jazz nature. It will last approximately one hour and it is free and open to the general public.
