

Students honored for Capitol efforts

By Lisa Noro

Two outstanding Capitol Campus students have been honored by being named memorial fund recipients.

MaryBeth Powell, a senior accounting major, is the happy recipient of the Dr. John R. Nichol's Memorial Scholarship in the amount of \$500.

This award is given by the Women's Faculty Club in memory of Dr. John R. Nichols, Professor of Social Sciences and Psychology, who died on June 10, 1982.

Selection was based on academic achievement, financial need and extra-curricular activities. Eligible students had to be full-time undergraduates, classified as provisional or degree seeking.

Powell, of Allentown, currently residing in Meade Heights, said upon learning of her award, "I'd really like to thank my parents just because of the way they raised me. I couldn't have won this award without them."

Powell maintains a 3.59 GPA and is involved in the Accounting Club, Student Government, the Cross Country Team and the Cheerleading Squad, just to name a few of her extra-curricular activities.

Powell's award will be presented at her graduation on June 18th and she's looking forward to surprising her parents, who won't know until then of their daughter's achievement.

Stephen M. Shemancik, a ninth term finance major in the business administration division, was named recipient of a \$1,000 scholarship grant from the Herbert U. Nelson Memorial Fund of the National Association of Realtors.

This scholarship is presented nationwide to outstanding students who are interested in pursuing a full-time career in real estate.

After graduating from Penn State's Berks Campus in Reading in 1974, Shemancik worked in real estate for seven years before returning to school at Capitol to major in finance

and real estate. He currently works part-time appraising real estate for the Jesse Reitenbach Agency.

Shemancik maintains a 3.3 GPA and is a member of the BetaChi Business Club. Upon graduation he plans to pursue a career in real estate investment

portfolio management.

"I am really proud to be receiving this award," states Shemancik. "I owe a lot to my professors."

Shemancik's award was presented April 14th at a dinner dance at the West Shore Country Club.
