As the term winds down, students find "water sliding" to be a more pleasurable activity than spending time with the books. Although the weather forecast is grim for the conclusion of "Rites of Spring" activities this weekend, SUBOG, sponsor of the event, hopes Mother Nature will be cooperative.

WE WROTE THE BOOK ON HOW TO PAY FOR COLLEGE.

If you plan to go to college, you'll not only need good grades, you'll need good financing. And joining today's Army can help you get it.

If you qualify for the Army College Fund, you can learn a skill while you accumulate up to \$15,200 for college in just two years. Or up to \$20,100 in three years. And all you contribute is \$100 a month from your Army pay.

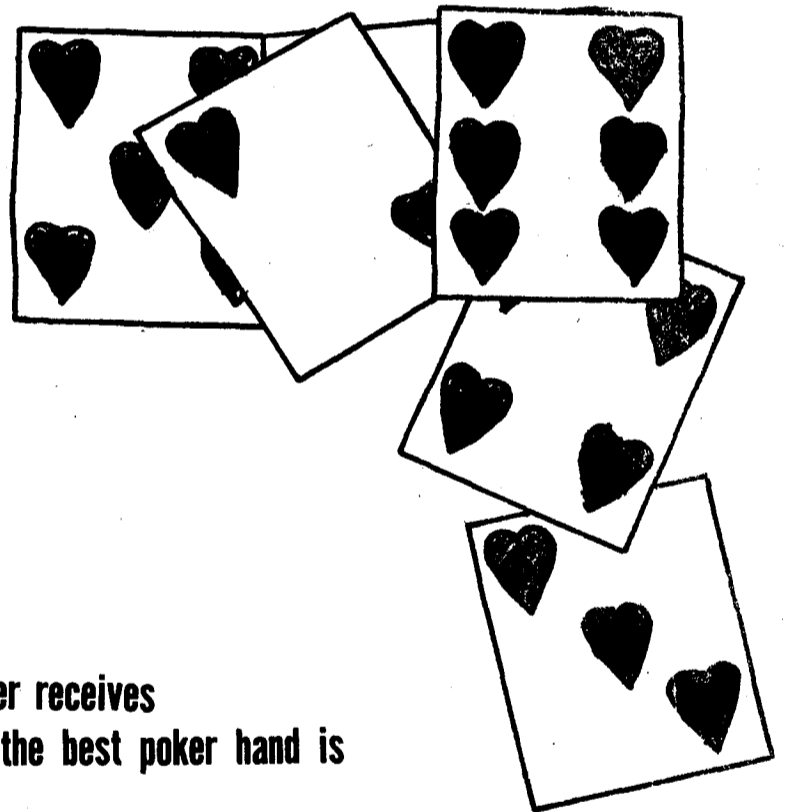

To find out why so many students are making today's Army a prerequisite for college, visit your local Army Recruiter. Ask him for a copy of the Army College Fund booklet.
