

Graduate assistantships offered

Graduate Assistantships in Business Administration will be offered on a part-time basis for the fall and spring semesters during the 1983-84 academic year.

Qualifications for the position include: a BBA degree preferred, effective communication skills, and a Business major and/or computer experience.

Duties will include: grading homework assignments, counsel with students, proctor exams, as well as some faculty-related research duties and administrative tasks.

The application deadline will be May 31, 1983.

Commencement rites June 18

Approximately 475 students will be expected to graduate at this year's commencement exercises on Saturday, June 18 at 10:30 a.m. in Founder's Hall of the Milton Hershey Building School, in Hershey.

Dr. George D. Wolf, Professor of American Studies and History at Capitol Campus in 1966, has served as Dean of Faculty from 1973-78, and will be retiring at the end of this term.

Students who will be graduating are expected to assemble in the Camelot Room of Founder's Hall by 9 a.m.

Ice hockey team organizing

Capitol Campus is now in the process of organizing an ice hockey team for next year.

Professor Richard I. Ammon has pledged his assistance and will coach the team. It is now being organized by Daniel Popplewell, and will either be competing in the Intercollegiate Association or the Men's Contact League at Mechanicsburg.

Anyone interested in getting involved with the team, should contact Popplewell in Rm. 109 Church Hall, or at 948-6324.

Mud-wrestling contest Saturday

The Photo Club will sponsor a mud-wrestling contest on Saturday, May 31, at People's Park in Meade Heights, from 12 noon to 1 p.m. Contestants will wrestle according to their weight class only. T-shirts will be awarded to the winners.

Contact Roger Yates at 944-1507, or Bob Croft at 948-0998, or stop by W-104 for more information, and to sign up.

Bissinger wins Jordan Award

Dr. Barnard H. Bissinger, Professor of Mathematics, will be the recipient of the 1983 Jordan Award for teaching excellence.

Bissinger received his undergraduate degree in Mathematics from Franklin and Marshall College in Lancaster, PA, in 1938. In 1940, he received his Masters in Mathematics from Syracuse University and later received his Ph.D. from Cornell University.

Bissinger, who has taught Math at Michigan State, Syracuse and Cornell Universities, has served as Chairman of the Math Department at Lebanon Valley College from 1954-1967. He has served at Capitol since 1967.

LSAT testing dates set
