Tuition and costs are rising; aid is being cut. But furthering your education does not have to be out of your financial reach. The Pennsylvania Army National Guard had four programs that can help you pay for your college education.

1. Federal Education Bonus.
2. State Tuition Credit.
3. National Guard Scholarships.
4. Student Loan Repayment program.

These programs, along with National Guard pay, can amount to over \$17,000. You may qualify for some or all of these programs if you join the Pennsylvania Army National Guard, as a part-time soldier. For more information call Sgt. Ike Leistkow at 783-3939.
