

To get ahead, you've got to push the right buttons.

An investment that will never haunt you.

The HP-12C is a small investment that pays big dividends. Today, with the grades you'll get and the time you'll save. And later on, when you're concerned with that all-important bottom line. Simply put, the HP-12C is the most powerful financial calculator made since man learned the difference between profit and loss.

It knows how to pinch a penny.

The HP-12C has built-in functions which know the business: the business of dollars and cents. A unique logic system gives you reliable answers fast. It's dependable, powerful, and best of all, the HP-12C will never need a Christmas bonus. That's enough to put a smile on the face of the most demanding businessman.

So go ahead. Get ahead. Get there
