Capitol bowling team co-captain Bill Hill exhibits form in practice session.

## Bowling team rolls four wins by season break

By Jeff Shatzer

The Capitol Campus bowling team stands at four wins and five losses going into the season break between semesters.

"We are on an upswing and we are going to win the rest," boasted veteran coach Betty Evans.

"We are going to think positive from here on out."

The bowling team members are Bob Capparell, Steve Butler, Kim Dolzani, Steve Fink and Brian

Wyland. Leading the team as co-captains are Bill Hill and Tony Miles.

"We have a good chance to be an upset team, we can keep up with any team," said Hill.

The teams victories were against Villanova, Navy, Shipensburg and Gettysburg. Their losses were to Lincoln, Howard, Maryland, Temple and Bloomsburg.

The home games are held at the ABC east lanes on Eisenhower Boulevard, Harrisburg.

## Jogathon here called a success

By Rob Rejmaniak

Capitol campus' second annual Jogathon, held Nov. 19, was once again a success. This year's 30 participants raised approximately \$1500.

The purpose of the annual run is to raise money for the overall improvement of sports on campus.

Clarence Hardaway, a maintenance man here on campus, was this year's top moneymaker, running 27 laps for over \$400. Athletic Director Bud Smitley was second in proceeds, making \$300 for his 36 laps.

Good participation from the girls volleyball team, men's basketball team, and cross country team, helped make the Jogathon the success it was.

"Our goal for next year is \$3000," said Smitley, who sees

next year's goal as a realistic one.

"The twilight baseball team and the rugby team from the area use our facilities here and next year those teams will be responsible for paying a \$500 rent for that use," Smitley said, adding:

"If they choose to raise the money in the Jogathon, we should have 100 runners instead of 15."

If Smitley gets the increase in proceeds and runners he hopes for in next year's Jogathon, athletes may receive jackets instead of plaques for their participation in varsity athletics here on campus.

"I appreciate everything that was done to make this year's Jogathon a success," Smitley said.

"The help from the community was magnificent, from the people running to those who pledged."
