Phonathon "way over" goal

By Don Strausburger

The annual Capitol alumni phonathon held this week yielded "excellent" results, according to Mike Breslin, head of Campus Relations. As of press time, the alumni had pledged nearly \$220,000.

Breslin said the results are "way over monetary goals" set at \$16,000. He added that the phonathon has shown "constant growth" since its initiation. The donations raised from this year's phonathon will be used to fund development of the new student center, Breslin said.
