

Society starts weekly events bulletin

In order to overcome poor advertising and lack of attendance experienced during last semester's activities, The Society of Automotive Engineers will publish a weekly bulletin announcing the events of the following week.

The bulletin will be circulated every Monday. Deadline for submission of announcements will be the preceding Wednesday.

Those interested in placing an announcement in the bulletin, should type or print it on a piece of paper and place it in the SAE mailbox in room W-110.

Housing announces priority deadlines

Continuing students will be given top priority over all other applicants for housing in the Fall of 1984. However, students will receive this priority only if their applications are filed and validated prior to February 28, 1984.

After the above date, housing requests will be filled solely in order of date received. Newly admitted students and returning students will then be treated equally. New housing contracts for returning students may be picked up in the Housing Office at 837 Jones Street in Meade Heights.

If you are planning to stay in Meade Heights this summer you are required to file a separate contract card for summer only. The card may be picked up after March 1, 1984.

Rape Crisis offers support group

Rape Crisis Services, a Division of the Greater Harrisburg Area YMCA, is currently offering a support group for victims of sexual assault. The support group program provides a safe and confidential environment where victims can share, discuss and resolve their problems related to the assault.

The groups, which run in eight-week segments, deal with issues such as anger, fear, guilt, trust, anxiety, relationships, sexuality and self-esteem. Membership in the group is open to any victim of sexual assault after an interview with a staff counselor.

For more information, contact Stephenie Malasavage, Victim Services Specialist, at 238-7273.
