

## Lady Lions Bury Mt. Alto

by Bernie Mixon

Women's Basketball

The Lady Lions were challenged at home by the women's basketball team of Mt. Alto. In the first half, the Lions got off to an eight point lead, and continued it to halftime.

The first half was characterized by many steals and rebounds. Mt. Alto played very well by playing a physical game and playing good defense.

In the second half, the Lady Lions came out roaring and lead their opponents by twenty points. Mt. Alto seemed to lose the spunk that it once had and made many costly turnovers and mental mistakes that lead to the 55 to 33 blow out and slit another notch into the Lady Lions' belt.

## Soccer Team Didn't Make Goal

By Andrea Abolins

Returning champions York College defeated Lebanon Valley College 4-1 to win the Penn State Capital College Indoor Soccer Tourney Feb. 13.

Twelve teams competed in the tournament, which served as a fund-raising event for the Capital College soccer team. Chip Winner and Dave Ploch, members of the Capital team, coordinated the single-elimination tourney.

T-shirts, and baked goods also were sold at the event. Proceeds will be used to pay for team supplies.

"We didn't make as much money as expected," said Winner. The team will continue to sell the t-shirts during the upcoming health fair.

York College and Lebanon Valley College were awarded trophies. Other teams participating were Capital, PSU Berks, PSU Ogontz (two teams), PSU Hazleton (two teams), Keystone College, Schuylkill College, Juniata College, and a second York College team.

PSU Capital will play Feb. 27 at Hazleton. Other upcoming events include a tourney at Ogontz and a possible game with Capital alumni.

## Olympians Need Support

by Bernie Mixon

In Calgary for the next couple of days the Winter Olympics will be taking place. To some this will be the culmination of a dream come true and to others it will be a last chance to catch that dream of gold that has been eluding them for so long.

The American Olympic Team is historically more successful in the summer rather than in the winter but we still cheer them on. But fond memories go back to just eight years ago when the miracle at Lake Placid, New York, took

place. What miracle, you might say. The miracle of the Americans winning the gold medal in ice hockey.

The glory of winning a medal is felt two-fold. First for yourself and secondly for your country. The whole Olympic Team in fact is representing us -- Americans, and we as Americans should show our pride in them by cheering them on to victory. Maybe we can't be there in heart but we can be there in spirit.

## Swathmore Swipes it From Capital

by Bernie Mixon

Capital VS. Swathmore

Swathmore proved to be a challenge to the Lions as they engaged in a physical contest right from the start. Swathmore lead in the opening moments of play by a mere basket but the Lions came roaring back to lead their opponents by ten points. The Lions were utilizing precision shooting, exquisite ball handling and a low percentage of turnovers to lead at

halftime by a score of 71 to 69.

The second half proved to be another challenge for the Lions and with some questionable calls going against the home team the game turned into a physical contest. Many fouls and turnovers were committed and the percentage of team shooting dwindled. This resulted in a 83 to 69 loss for the Lions.
