

# ARE YOUR POCKETS EMPTY ?

College costs money. After tuition and books your pockets may be empty. If you could use extra money, maybe you should consider a part-time job with UPS.

Right now we're looking for students to join us as part-time loaders and unloaders on our night shift (10:30 p.m. - 2:00 a.m.) \* We offer:

\* \$8.00 - \$9.00 per hour

\* Guaranteed increases

\* A \$500 bonus for longevity

\* Paid holidays and vacation

\* Paid health plan

(Including optical, dental and perscription)

\* Profit sharing

On Monday, January 30, we're holding an open house for students from Penn State Harrisburg from 9:30 - 11:30 p.m. You'll have the opportunity to tour the UPS facility and see the kind of work you'll doing. If you like what you see you can complete an application on the spot.

\* Other shifts may be available.
