A Hint of Spring...

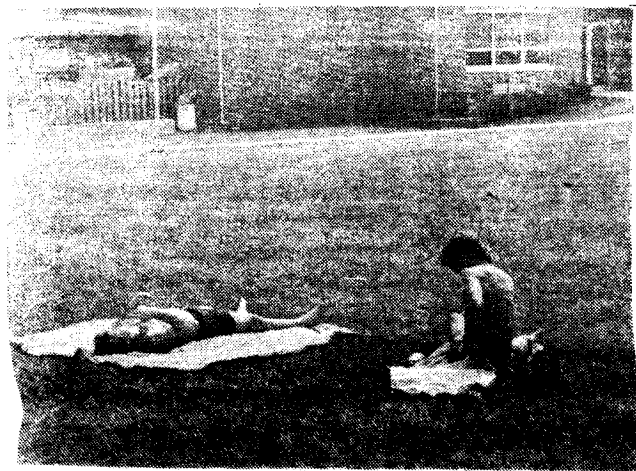

Trying to look and keep cool.

Weathering the weather.

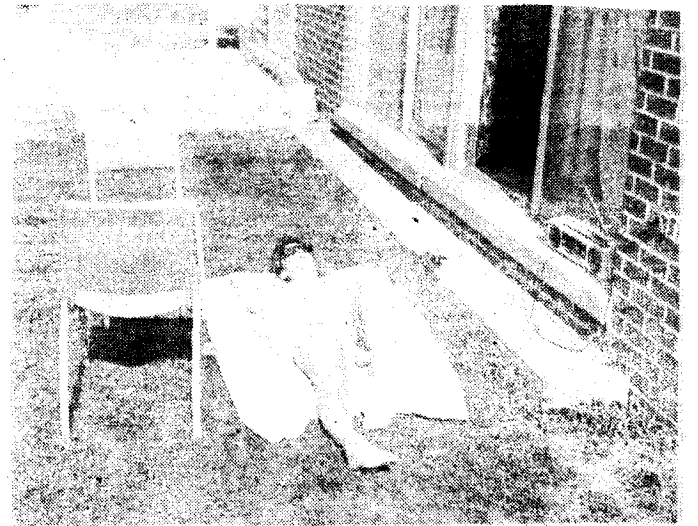

One deluxe lounge chair!

This looks like a good spot.

Catchin' those rays!

Chairs love sunshine, too!

Pardon me, can we take your picture?

So.Cal. weather, fer sher!

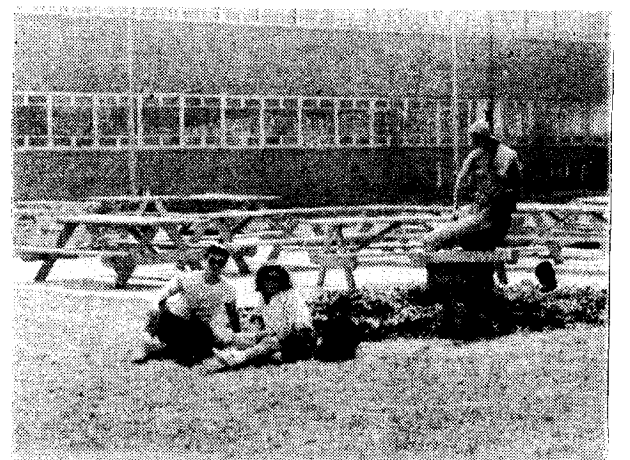

Gotta clean the machine!

Gotta look cool when it's this hot!

Gee, Annette, do ya think the gang will find us here?

Hangin' outdoors between classes.
