

# STUDENT SPEAKOUT

Interviews by Kristy Pipher; Photos by Kim Glass

With Halloween right around the corner, what is your favorite scary film and why?

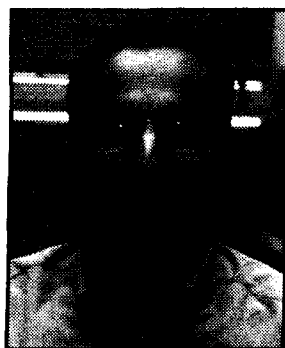

**Risha Centeno**

"*Exorcist* - that really scared your pants off. The photography was amazing."

**Deb Glass**

"*Silence of the Lambs* - Because of the reality of it."

**Faisal Hafiz**

"*Evil Dead* - I couldn't sleep the whole night."

**Jaleel Brabham**

"*Halloween* - It's a classic...it set off just about all the scary movies you see from the late 80s up to the 90s."

**Kellye Hawkins**

"*The Devil's Advocate* - as far as normal movies go, but as far as what is considered a horror movie, I liked *Scream*."

**Theron Holmes**

"*Army of Darkness* - It's more of a spoof on scary movies...it's funny if you want to laugh and be a little repulsed."
